In this powerful book Martin Lowenthal leads a journey to the very heart of spirituality, a journey of acceptance and aliveness through affirmation. By affirming what is in our hearts, writes Lowenthal, we embrace our aliveness and the reality of life in the moment. And only through acceptance, openness, and affirmation can we ever really be present and complete. Embrace Yes is divided into five parts, each presenting affirmations responding to a different aspect of spirituality, which Lowenthal calls the "Five Faces of God": Yes as Presence: God as Reality Yes as Openness and Wonder: God as Essence Yes as Celebration and Service: God as Creation Yes as Love: God as Beloved Yes as Learning and Dedication: God as Wisdom Poetry, fables, and religious teachings drawn from many different traditions are presented in short sections designed to give readers the opportunity to meditate and reflect on the wonderful aliveness of affirming reality as it is now, and living with an attitude of Yes.

Welcome to a little book that could change your life! When I was in my teens, I suffered from a lack of confidence and self-worth. Like many people, I believed my negative thoughts and feelings were simply who I was. They were coming from my mind. I felt them in my body. They must be real. And that's exactly how most people live their lives: on autopilot, letting their thoughts and emotions run wild, then hanging on for dear life as they try to cope. Can you relate? But you don't have to live that way. Your thoughts are not an accurate reflection of who you truly are. You can take control of the conversations going on in your own head. And affirmations are the perfect tool to help you do that. Using the power of positive self-talk, you will no longer be a victim of negative thinking. You will be in the driver's seat of your mind - and your life! So, get ready to live a happier, more fulfilling life!

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, however, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind--the divinity within them and around them. The secret to success is no secret. It has been in practice for thousands of years. The most successful people throughout history are not those who merely accept the reality presented to them but those who imagine a better reality and believe in it so deeply that they are actually able to create a new reality--to change the state of being around them. In this book, you discover how to create your own new reality through desire, imagination, and belief: Part 1: Affirmation Essentials: Here you discover how to plant thoughts into your subconscious mind, so it can begin to work miracles in transmuting your thoughts into reality, often with little or no effort on your part. Part 2: Weekly Affirmations: These 52 weekly affirmations empower you to improve every aspect of your life, including your health, wealth, relationships, marriage, and career. Each weekly affirmation is accompanied by commentary that places the affirmation in the context of real life, so you can more clearly imagine and start appreciating the new reality you are about to experience. Part 3: More Techniques for Planting Thoughts in the

Subconscious Mind: These additional techniques enable you to plant thoughts in your subconscious mind and crystallize your vision. The more clearly and distinctly you are able to imagine yourself being, doing, or receiving that which you desire, the more certain your desire will be fulfilled. Part 4: Unlock the Infinite Power Within You: Part 4 reveals the principles upon which the practice is based and relates true stories of people who solved problems, healed themselves and others, saved lives, improved relationships, achieved career success, and attracted wealth, through the power of affirmation. Part 4 also reveals the role the subconscious mind plays in out-of-body experiences, extrasensory perception, mental telepathy, clairvoyance, precognition, remote viewing, and other psychic powers. This book is your personal guide to leading a happier, wealthier, and more fulfilling life. By following the guidance offered here, you can stop going through life as a victim of circumstances and become the master of your own destiny. You discover how to harness the power of your own mind and the infinite resources surrounding you to be, do, and receive whatever you desire, imagine, and believe.
