Gadsden Public Library is a monument to the initiative, creativity, and vision of those who dreamed of an evolving, comprehensive library to serve all citizens. Eight foreseeing directors have diligently continued this original mission. Since 1906, Gadsden Public Library has housed a variety of displays and sponsored countless programs featuring authors, speakers, reading initiatives, book clubs, and story times. With dedicated library staff members, supportive community leaders, and enthusiastic citizens, Gadsden Public Library has an established tradition of encouraging lifelong learning. From the installation of a telephone in 1913, to wireless access in 2006, Gadsden Public Library has changed to meet the technological needs of its staff and community. What will never change is the library's importance to the city and the joy of reading that is central to its mission. Through a collection of photographs, this book provides a nostalgic look at 100 years of developing library service and the people who shaped it.

Contents: 1. 1889-1893.--2. 1894-1898.--3. 1899-1903.

A gorgeous visual celebration of America's public libraries including 150 photos, plus essays by Bill Moyers, Ann Patchett, Anne Lamott, Amy Tan, Barbara Kingsolver, and many more. Many of us have vivid recollections of childhood visits to a public library: the unmistakable musty scent, the excitement of checking out a stack of newly discovered books. Today, the more than 17,000 libraries in America also function as de facto community centers offering free access to the internet, job-hunting assistance, or a warm place to take shelter. And yet, across the country, cities large and small are closing public libraries or curtailing their hours of operation. Over the last eighteen years, photographer Robert Dawson has crisscrossed the country documenting hundreds of these endangered institutions. The Public Library presents a wide selection of Dawson's photographs— from the majestic reading room at the New York Public Library to Allensworth, California's one-room Tulare County Free Library built by former slaves. Accompanying Dawson's revealing photographs are essays, letters, and poetry by some of America's most celebrated writers. A foreword by Bill Moyers and an afterword by Ann Patchett bookend this important survey of a treasured American institution.
