Inside the world of the real Great Gatsby of New York real estate Harry Macklowe is one of the most notorious wheelers and dealers of the real estate world, and Liar's Ball is the story of the gamblers and thieves who populate his world. Watch as Harry makes the gutsy bid for midtown Manhattan's famous GM building and put almost no money down, landing the billion-dollar transaction that made him the poster child for New York's real estate royalty. Listen in on the secret conversations, back-door deals, and blackmail that put Macklowe and his cronies on top—and set them up for an enormous fall. Vanity Fair contributing editor Vicky Ward skillfully paints the often scandalous picture of the giants who owned the New York skyline until their empires came crumbling down in the 2008 financial crisis. Based on more than 200 interviews with real estate moguls like Donald Trump, William Zeckendorf, Mort Zuckerman, and David Simon, Liar's Ball is the never-before-told story of the egomaniacal elites of New York City. Read about: The epic rise and fall of one of the richest American real estate barons Outlandish greed and cravings for power, attention, and love Relationships built and destroyed by vanity and gossip The bursting of the real estate bubble and its aftermath This is no fiction—this is a real life tale of extravagance, ambition, and power. Harry Macklowe ruthlessly clawed his way to the top with the help of his loyal followers, each grubbing for a piece of the real estate pie. Liar's Ball reveals their secrets and tells the tale of business as usual for this group—lying, backstabbing, and moving in for the kill when things look patchy. From the bestselling author of The Devil's Casino comes an expos??? on the real estate elite that you'll hardly believe.

How to buy low and sell high in real estate Yes, timing is everything. In the real estate market, that means buying in markets that are ready to take off and cashing out before prices crash. In Timing the Real Estate Market, millionaire real estate entrepreneur Craig Hall reveals to America's 17 million real estate investors his secrets for maximizing profits, by knowing when to buy, when to sell, and what to do in between. Following Hall's savvy advice, real estate investors will learn: The seven major trends affecting real estate prices How to predict when real estate prices are poised to increase How to capture maximum profits by knowing when to sell How to add value to a property while waiting for the real estate market to pick up How to survive during a downturn--until the next market upswing

From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

" This well-organized book shows what a typical life in real estate is like so that newcomers can decide whether the field is right for them. He reveals the milestones, pitfalls, and rewards associated with real estate investing, offering powerful insight into the challenges and opportunities you ' ll face as you start out...scale up...ride the industry ' s cyclical waves and then leverage, share, or pass along the wealth you ' ve created. This book contains dozens of real life personal stories, hands-on checklists, and questions to guide your decisions...and it delivers unparalleled insight into how the real estate industry really works: • Be strategic: choose your best route into the business Define your successful real estate career, and learn how to make it a reality • Build your foundation: your first job, your first deal Spot a great opportunity to add value, and jump on it • Scale up: build and sustain your success Hire a great team, manage them successfully, and find the capital you need to grow • Survive the downturns: be flexible and nimble Recognize new realities, adapt to them, and uncover the opportunities they create • Take stock: make the most of your success Balance your business, wealth, and family

In Real Estate Titans, Erez Cohen shares the advice and learnings of the world's leading real estate experts to create a guide for becoming a savvier real estate player. Cohen draws on his experience as a research and teacher ' s assistant at Wharton Business School with an investment expert—and his mentor—Dr. Peter Linneman. Throughout his career, Cohen has collected first-hand knowledge from meetings with such real estate titans as Ronald Terwilliger, Sam Zell, Joseph Sitt, and numerous others. Cohen wanted to understand how these real estate giants became so successful, so he refined his quest into three critical questions: What inspires these titans to work so hard and reach such extraordinary levels of success? What are the main elements and traits inside of them that propel them to be so grandiose? How have these individuals, who had less resources, succeeded on a much bigger scale than so many of their competitors? Real Estate Titans contains the 7 key lessons distilled from interviews with several of the world ' s greatest real estate investors. These critical lessons offer insight into the mindset, tactics, and habits that each of the interviewed titans possess. Once you implement these key ideas—which you won ' t find anywhere else—into your business, it will grow exponentially within a matter of months. Real Estate Titans offers an insider ' s view into several of the most successful investors on the planet. The book ' s compelling stories and lessons show why real estate is such a wonderful and important business, and it also offers a roadmap for becoming a world class real estate player.

The fully revised and updated version of the leading textbook on real estate investment, emphasising real estate cycles and the availability and flow of global capital Real Estate Investment remains the most influential textbook on the subject, used in top-tier colleges and universities worldwide. Its unique, practical perspective on international real estate investment focusses on real-world techniques which measure, benchmark, forecast and manage property investments as an asset class. The text examines global property markets and real estate cycles, outlines market fundamentals and explains asset pricing and portfolio theory in the context of real estate. In the years since the text ' s first publication, conditions in global real estate markets have changed considerably following the financial crisis of 2008-2009. Real estate asset prices have increased past pre-crisis levels, signalling a general market recovery. Previously scarce debt and equity capital is now abundant, while many institutions once averse to acquiring property are re-entering the markets. The latest edition – extensively revised and updated to address current market trends and practices as well as reflect feedback from instructors and students – features new content on real estate development, improved practical examples, expanded case studies and more. This seminal textbook: Emphasises practical solutions to real investing problems rather than complex theory Offers substantial new and revised content throughout the text Covers topics such as valuation, leasing, mortgages, real estate funds, underwriting and private and public equity real estate Features up-to-date sections on performance measurement, real estate debt markets and building and managing real estate portfolios Includes access to a re-designed companion website containing numerous problems and solutions, presentation slides and additional instructor and student resources Written by internationally-recognised experts in capital management and institutional property investing strategies, Real Estate Investment, Second Edition: Strategies, Structures, Decisions is an indispensable textbook for instructors and students of real estate fund management, investment management and investment banking, as well as a valuable reference text for analysts, researchers, investment managers, investment bankers and asset managers.
