worldwide relating to claims to refugee status based on or around statelessness. By examining statelessness through the prism of international refugee law, this book fills a critical gap in existing scholarship.

This book examines the link between refugee protection, duration of

Download File

PDF The

risk and residency rights. It focuses on two main issues of importance to current state practice: the use of temporary forms of refugee status and residency and the legal criteria for cessation of refugee status under Article 1C(5) of the 1951 Refugee Convention. In analysing this issue, this book canvasses debates

Download File

PDF The

which are pertinent to many other contentious areas of refugee law, including the relationship between the refugee definition and complementary protection, application of the Refugee Convention in situations of armed conflict, and the role of non-state bodies as actors of protection. It also

Download File

PDF The

illustrates some of the central problems with the way in which the 1951 Refugee Convention is implemented domestically in key asylum host states. The arguments put forward in this book have particular significance for the return of asylum seekers and refugees to situations of ongoing

Download File

PDF The

conflict and post-conflict situations and is therefore highly pertinent to the future development of international refugee law.

This book considers the United Nations High Commissioner for Refugees ' contribution

Download File

PDF The

to international refugee law since the establishment of UNHCR by the United Nations General Assembly in 1951. The book explores the historical and statutory foundations that create an indelible link between UNHCR and international refugee law. This book charts the significant evolution

Download File

PDF The

that has occurred in the organisation ' s role throughout the last sixty years, looking at both the formal means by which UNHCR ' s mandate may be modified, and the techniques UNHCR has used to facilitate the changes in its role, thereby revealing a significant evolution in the organisation ' s role

Download File

PDF The

since the onset of the crisis in refugee protection in the 1980 ' s. UNHCR, itself, has demonstrated its organizational autonomy as the primary agent for the adaptation of its responsibilities and work related to international refugee law. The author does suggest however that UNHCR needs to

Download File

PDF The

continue to extend and strengthen its role related to international refugee law if UNHCR is to ensure a stronger legal framework for the protection of refugees as well as a fuller respect for refugees ' rights in practice. UNHCR and International Refugee Law should be of particular interest to refugee lawyers as well
