The Sisters Brothers is a 2011 Western novel by Canadian-born author Patrick deWitt. The darkly comic story takes place in Oregon and California in 1851. The narrator, Eli Sisters, and his brother Charlie are assassins tasked with killing Hermann Kermit Warm, an ingenious prospector who has been accused of stealing from the Sisters' fearsome boss, the Commodore. Eli and Charlie experience a series of misadventures while tracking down Warm which resemble the narrative form of a picaresque novel,

With The Sisters Brothers, Patrick deWitt pays homage to the classic Western, transforming it into an unforgettable comic tour de force. Filled with a remarkable cast of characters-losers, cheaters, and ne'er-do-wells from all stripes of life-and told by a complex and compelling narrator, it is a violent, lustful odyssey through the underworld of the 1850s frontier that beautifully captures the humor, melancholy, and grit of the Old West and two brothers bound by blood, violence, and love.

The Sisters Brothers by Patrick deWitt: review - Telegraph

But their prey isn't an easy mark, and on the road from Oregon City to Warm's gold-mining claim outside Sacramento, Eli begins to question what he does for a living-and whom he does it for. With The Sisters Brothers, Patrick deWitt pays homage to the classic Western, transforming it into an unforgettable comic tour de force.

The Sisters Brothers - HarperCollins

The Sister's brothers are a pair of ruthless assassins on a mission to kill. They roam the old Wild West encountering a strange and fascinating mix of characters and committing random acts of violence when the mood takes them..

Winner of the Governor General's Award for Fiction, the Rogers Writers' Trust Fiction Prize, the Prix des libraires du Quebec and the Stephen Leacock Medal. Shortlisted for the Man Booker Prize, the Scotiabank Giller Prize, and the Walter Scott Prize. Hermann Kermit Warm is going to die: Eli and Charlie Sisters can be counted on for that. Though Eli has never shared his brother's penchant for whiskey and killing, he's never known anything else. On the road to Warm's gold-mining claim outside San Francisco - and from the back of his long-suffering one-eyed horse - Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick DeWitt, acclaimed author of Ablutions, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable

On the road to Warm's gold-mining claim outside San Francisco -- and from the back of his long-suffering one-eyed horse -- Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick DeWitt, acclaimed author of *Ablutions*, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable narrative voice that captures all the absurdity, melancholy, and grit of the West -- and of these two brothers, bound to each other by blood and scars and love.

From the author of the award-winning *The Sisters Brothers* comes a dark, boozy, and hilarious tale from the LA underworld. A nameless barman tends a decaying bar in Hollywood and takes notes for a book about his clientele. Initially, he is morbidly amused by watching the regulars roll in and fall into their nightly oblivion, pitying them and their loneliness. In hopes of uncovering their secrets and motives, he establishes tentative friendships with them. He also knocks back pills indiscriminately and treats himself to gallons of Jameson's. But as his tenure at the bar continues, he begins to lose himself, trapped by addiction and indecision. When his wife leaves him, he embarks on a series of squalidly random sexual encounters and a downward spiral of self-damage and irrational violence. To cleanse himself and save his soul, he attempts to escape ...

From the bestselling, Man Booker-short-listed author of *The Sisters Brothers* comes a brilliant and boisterous novel that reimagines the folk tale *A Love Story*, an adventure story, a fable without a moral, and an ink-black comedy of manners. *Undermajordomo Minor* is Patrick deWitt's long-awaited follow-up to the internationally bestselling and critically acclaimed novel *The Sisters Brothers*. Lucien (Lucy) Minor is the resident odd duck in the bucolic hamlet of Bury. Friendless and loveless, young and aimless, Lucy is a compulsive liar, a sickly weakling in a town famous for producing brutish giants. Then Lucy accepts employment assisting the Majordomo of the remote, foreboding Castle Von Aux. While tending to his new post as Undermajordomo, Lucy soon discovers the place harbors many dark secrets, not least of which being the whereabouts of the castle's master, Baron Von Aux. He also encounters the colorful people of the local village—thieves, madmen, aristocrats, and Klara, a delicate beauty for

whose love he must compete with the exceptionally handsome soldier Adolphus. Thus begins a tale of polite theft, bitter heartbreak, domestic mystery, and cold-blooded murder in which every aspect of humanity is laid bare for our hero to observe. Undermajordomo Minor is an adventure, a mystery, and a searing portrayal of rural Alpine bad behavior, but above all it is a love story—and Lucy must be careful, for love is a violent thing.

Soon to be a Major Motion Picture Starring Michelle Pfeiffer, Lucas Hedges, directed by Azazel Jacobs

From bestselling author Patrick deWitt, a brilliant and darkly comic novel about a wealthy widow and her adult son who flee New York for Paris in the wake of scandal and financial disintegration. Frances Price - tart widow, possessive mother, and Upper East Side force of nature - is in dire straits, beset by scandal and impending bankruptcy. Her adult son Malcolm is no help, mired in a permanent state of arrested development. And then there's the Price's aging cat, Small Frank, who Frances believes houses the spirit of her late husband, an infamously immoral litigator and world-class cad whose gruesome tabloid death rendered Frances and Malcolm social outcasts. Putting penury and pariahdom behind them, the family decides to cut their losses and head for the exit. One ocean voyage later, the curious trio land in their beloved Paris, the City of Light serving as a backdrop not for love or romance, but self destruction and economical ruin - to riotous effect. A number of singular characters serve to round out the cast: a bashful private investigator, an aimless psychic proposing a seance, and a doctor who makes house calls with his wine merchant in tow, to name a few. Brimming with pathos, French Exit is a one-of-a-kind 'tragedy of manners,' a send-up of high society, as well as a moving mother/son caper which only Patrick deWitt could conceive and execute.

Katherine is 17, living alone in the beautiful, desolate landscape of southern Arizona. Her mother is feckless, her father busy with his new family. Meeting Son, the scion of a local rancher, seems like deliverance. They marry and live as a family in his parents' venerable adobe house, but it soon becomes clear that Son is a man who, as his father says, has a "young heart near withered beneath the breastbone." Katherine must find her own way during a dangerous months-long drought, when everything seems to be disintegrating around her. Susan Froderberg's incantatory language -- and her deep knowledge of both the complexities of a small, deeply-rooted place and the human heart -- make Old Border Road soar.

A wondrous and redemptive debut novel, set in a stark world where evil and magic coincide, *The Enchanted* combines the empathy and lyricism of Alice Sebold with the dark, imaginative power of Stephen King. "This is an enchanted place. Others don't see it, but I do." The enchanted place is an ancient stone prison, viewed through the eyes of a death row inmate who finds escape in his books and in re-imagining life around him, weaving a fantastical story of the people he observes and the world he inhabits. Fearful and reclusive, he senses what others cannot. Though bars confine him every minute of every day, he marries visions of golden horses running beneath the prison, heat flowing like molten metal from their backs with the devastating violence of prison life. Two outsiders venture here: a fallen priest and the Lady, an investigator who searches for buried information from prisoners' pasts that can save those soon-to-be-executed. Digging into the background of a killer named York, she uncovers wrenching truths that challenge familiar notions of victim and criminal, innocence and guilt, honesty and corruption—ultimately revealing shocking secrets of her own. Beautiful and transcendent, *The Enchanted* reminds us of how our humanity connects us all, and how beauty and love exist even amidst the most nightmarish reality.

DEADWOOD, DAKOTA TERRITORIES, 1876: Legendary gunman Wild Bill Hickcock and his friend Charlie Utter have come to the Black Hills town of Deadwood fresh from Cheyenne, fleeing an ungrateful populace. Bill, aging and sick but still able to best any man in a fair gunfight, just wants to be left alone to drink and play cards. But in this town of played-out miners, bounty hunters, upstairs girls, Chinese immigrants, and various other entrepreneurs and miscreants, he finds himself pursued by a vicious sheriff, a perverse whore man bent on revenge, and a besotted Calamity Jane. Fueled by liquor, sex, and violence, this is the real wild west, unlike anything portrayed in the dime novels that first told its story.

There are dozens of books about the Boss, exploring every facet of his career. So what's left to say? Nothing objective, perhaps. But when it comes to music, objectivity is highly overrated. Robert Wiersema has been a Springsteen fan since he was a teenager. By most definitions, he's a fanatic: following tours to see multiple shows in a row, watching set lists develop in real time via the Internet, ordering bootlegs from shady vendors in Italy. His attachment is deeper than fandom, though: he's grown up with Springsteen's music as the soundtrack to his life, beginning with his working-class youth in rural British Columbia and continuing on through dreams of escape, falling in love, and becoming a father. *Walk Like a Man* is liner notes for a mix tape, a frank and inventive blend of biography, music criticism, and memoir over the course of thirteen tracks. Like the best mix tapes, it balances joy and sorrow, laughter seasoning the dark-night-of-the-soul questions that haunt us all. Wiersema's book is

Download Free The Sisters Brothers Patrick Dewitt

the story of a man becoming a man (despite getting a little lost along the way), and of the man and the music that have accompanied him on his journey.
