Embrace diversity with Dr. Seuss and the Sneetches in this collection of stories about acceptance! The new matte finish cover makes it a great gift! The Sneetches got really quite smart on that day, The day they decided that Sneetches are Sneetches. And no kind of Sneetch is the best of the beaches. The story of the Star-bellied Sneetches and their star-less friends is a perfect guide for kids growing up in today's multicultural world. This classic is joined by equally entertaining tales: "The Zax," a humorous take on the art of compromise; "Too Many Daves," which shows kids that sometimes standing out is better than blending in; and "What Was I Scared Of?," which demonstrates how empathy can transform a stranger into a friend. In these four energetic stories, Dr. Seuss challenges the idea that we have to look the same or be the same to find common ground. Full of Dr. Seuss's signature rhymes and lively humor, this story collection is a must-have for any reader, young or old.

The narrator is frightened by a pair of pale green pants with no one inside that seems to be following him, until the two meet and discover that they have nothing to fear. Features illustrations that glow in the dark.

Taking Picture Books Seriously: What can we learn about philosophy through children's books? This warm and charming volume casts a spell on adult readers as it unveils the surprisingly profound philosophical wisdom contained in children's picture books, from Dr Seuss's Sneetches to William Steig's Shrek!. With a light touch and good humor, Wartenberg discusses the philosophical ideas in these classic stories, and provides parents with a practical starting point for discussing philosophical issues with their children. Accessible and multi-layered, it answers questions like, Is it okay for adults to deceive kids? What's the difference between saying the Mona Lisa is a great painting and vanilla is your favorite flavor? Each chapter includes illustrations commissioned especially for this book.

Dr. Seuss presents three modern fables in the rhyming favorite Yertle the Turtle and Other Stories. The collection features tales about greed ("Yertle the Turtle"), vanity ("Gertrude McFuzz"), and pride ("The Big Brag"). In no other book does a small burp have such political importance! Yet again, Dr. Seuss proves that he and classic picture books go hand in hand.

## Read Book The Sneetches And Other Stories Dr Seuss

"Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT!" Not since "'Twas the night before Christmas" has the beginning of a Christmas tale been so instantly recognizable. No holiday season is complete without the Grinch, Max, Cindy-Lou, and all the residents of Who-ville, in this heartwarming story about the effects of the Christmas spirit on even the smallest and coldest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for young and old. This Read & Listen edition contains audio narration.

Highlighting some of Dr. Seuss's lesser known works, the author offers valuable insights into the imaginative and creative processes of a very private man and one of the twentieth century's most original artists.

A youngster plans a huge, spectacular party, inviting friends whose names begin with every letter from A to Z--except for one person.

Drawings and verse point out the many things that are wrong one wacky Wednesday.

What's better than a lost treasure? Seven lost treasures! These rarely seen Dr. Seuss stories were published in magazines in the early 1950s and are finally available in book form. They include "The Bippolo Seed" (in which a scheming feline leads a duck toward a bad decision), "The Rabbit, the Bear, and the Zinniga-Zanniga" (about a rabbit who is saved from a bear by a single eyelash), "Gustav, the Goldfish" (an early rhymed version of the Beginner Book A Fish Out of Water), "Tadd and Todd" (about a twin who is striving to be an individual), "Steak for Supper" (in which fantastic creatures follow a boy home in anticipation of a steak dinner), "The Strange Shirt Spot" (the inspiration for the bathtub-ring scene in The Cat in the Hat Comes Back), and "The Great Henry McBride" (about a boy whose far-flung career fantasies are bested only by those of Dr. Seuss himself). An introduction by Seuss scholar Charles D. Cohen traces the history of the stories, which demonstrate an intentional move toward the writing style we now associate with Dr. Seuss. Cohen also explores the themes that recur in well-known Seuss stories (like the importance of the imagination or the perils of greed). With a color palette enhanced beyond the limitations of the original magazines, this is a collection that no Seuss fan (whether scholar or second grader) will want to miss. This Read & Listen edition contains audio narration.

"A rhymed introduction to real and imaginary animals featuring illustrations from classic books by Dr. Seuss"--
