whims of the guards in this place of horror. But now, the allies are closing in and the sisters have one last hurdle to face: the death march from Auschwitz, as the Nazis try to erase any evidence of the prisoners held there. Due to a last minute stroke of luck, the three of them are able to escape formation and hide in the woods for days before being rescued. And this is where the story begins. From there, the three sisters travel to Israel, to their new home, but the battle for freedom takes on new forms. Livia, Magda, and Cibi must face the ghosts of their past--and some secrets that they have kept from each other--to find true peace and happiness. Inspired by a true story, and with events that overlap with those of Lale, Gita, and Cilka, *The Three Sisters* will hold a place in listeners' hearts and minds as they experience what true courage really is.
