Although there is debate as to how much, if any, Hauptmann might have contributed to the text, Brecht is usually listed as sole author.

Bertolt Brecht wrote this opera at the age of 30. It was first produced in 1928, during the purported glory days of the Weimar Republic. Brecht was a nascent communist, perhaps only a version of which that was defined by a character in John Steinbeck's The Grapes of Wrath : "A Communist is any (S.O.B.) who wants 30 cents an hour when we're paying 25 cents."

The Threepenny Opera was Brecht's first and greatest commercial success, and it remains one of his best-loved and most-performed plays. Based on John Gay's eighteenth-century Beggar's Opera, the play is set in Victorian England's Soho but satirizes the bourgeois society of the Weimar Republic through its wry love story of Polly Peachum and "Mack the Knife" Macheath.

ThreePenny Novel (German: Dreigroschenroman) is a 1934 novel by the German dramatist and poet Bertolt Brecht, first published in Amsterdam by Allert de Lange [ nl] in 1934 as Dreigroschenroman, and now as Dreistuiversroman.

Satirizes the bourgeois society of the Weimar Republic through the love story between Polly Peachum and "Mack the Knife" Macheath.

This Student Edition of Brecht's satire on the capitalist society of the Weimar Republic features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Based on John Gay's eighteenth century Beggar's Opera, The Threepenny Opera, first staged in 1928 at the Theater am Schiffbauerdamm in Berlin, is a vicious satire on the bourgeois capitalist society of the Weimar Republic, but set in a mock-Victorian Soho. It focuses on the feud between Macheaf - an amoral criminal - and his father in law, a racketeer who controls and exploits London's beggars and is intent on having Macheaf hanged. Despite the resistance by Macheaf's friend the Chief of Police, Macheaf is eventually condemned to hang, until in a comic reversal the queen pardons him and grants him a title and land. With Kurt Weill's unforgettable music - one of the earliest and most successful attempts to introduce jazz to the theatre - it became a popular hit throughout the western world. The text is presented in the trusted translation by Ralph Manheim and John Willett.

This is a book on the best known of the Weill-Brecht collaborations which explores the extent and significance of the composer's contribution. After a detailed reconstruction of the work's genesis and continued revision over three decades, Stephen Hinton examines the spin-offs on which Weill and Brecht participated: the instrumental suite, the film, the lawsuit, the novel, and the musical and textual revisions of songs. In a survey of the stage history, Hinton pays particular attention to pioneering productions in Germany and Great Britain. Kim Kowalke provides an exhaustive account of the history of The Threepenny Opera in America, Geoffrey Abbott addresses questions concerning authentic performance practice, and David Drew analyses large-scale motivic relationships in the music. Among the earliest writings on the work reprinted here, those by Theodor W. Adorno, Ernst Bloch and Walter Benjamin appear for the first time in English translation. The book contains numerous illustrations, a discography, and music examples.

"Brecht's only novel is, of course, based on his own Threepenny Opera, which was itself based on John Gay's The Beggar's Opera. Set in Victorian London, the novel feels similar to Dickens in many ways, but written with a very dry humour and none of the sentimentality. The plot mostly involves the extremely dodgy business dealings of the characters Peachum and Macheath, along with some equally dubious bankers and financiers - in fact it feels surprisingly relevant to current times! A satirical yet rather subtle attack on capitalist society, Brecht's vision here is of a world in which the poor and weak are continually exploited in the most casual fashion by the powerful and unscrupulous who always come out on top. It's very good writing but may be a little slow-going for some."--Goodreads

A Study Guide for Bertolt Brecht's "The Threepenny Opera," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

A composer and lyricist of enormous innovation and influence, Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music, his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces. A prominent leftist and social maverick, Blitzstein constantly pushed the boundaries of convention in mid-century America in both his work and his life. Award-winning music historian Howard Pollack's new biography covers Blitzstein's life in full, from his childhood in Philadelphia to his violent death in Martinique at age 58. The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and his populist principles. Indeed, Blitzstein developed a unique sound that drew on everything contemporary, from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes. Pollack captures the astonishing breadth of Blitzstein's work--from provocative operas like The Cradle Will Rock, No for an Answer, and Regina, to the wartime Airborne Symphony composed during his years in service, to lesser known ballets, film scores, and stage works. A courageous artist, Blitzstein translated Bertolt Brecht and Kurt Weill's The Threepenny Opera during the heyday of McCarthyism and the red scare, and turned it into an off-Broadway sensation, its "Mack the Knife" becoming one of the era's biggest hits. Beautifully written, drawing on new interviews with friends and family of the composer, and making extensive use of new archival and secondary sources, Marc Blitzstein presents the most complete biography of this important American artist.

Based on John Gay's eighteenth century Beggar's Opera, The Threepenny Opera, first staged in 1928 at the Theater am Schiffbauerdamm in Berlin, is a vicious satire on the bourgeois capitalist society of the Weimar Republic, but set in a mock-Victorian Soho. It focuses on the feud between Macheaf - an amoral criminal - and his father in law, a racketeer who controls and exploits London's beggars and is intent on having Macheaf hanged. Despite the resistance by Macheaf's friend the Chief of Police, Macheaf is eventually condemned to hang until in a comic reversal the queen pardons him and grants him a title and land. With Kurt Weill's unforgettable music - one of the earliest and most successful attempts to introduce jazz to the theatre - it became a popular hit throughout the western world. Published in Methuen Drama's Modern Classics series in a trusted translation by Ralph Manheim and John Willett, this edition features extensive notes and commentary including an introduction to the play, Brecht's own notes on the play, a full appendix of textual variants, a note by composer Kurt Weill, a transcript of a discussion about the play between Brecht and a theatre director, plus editorial notes on the genesis of the play.
