THE TOMBOY Pilot B.J. Gilmore is Tommy Creek, Texas's tough tomboy who loves to fly planes and gamble and doesn't give a whip what anyone thinks or says about her—until Grady Rawlings steps into her life. PLUS THE WIDOWER Heir to an oil dynasty, Grady has inner demons to battle. Ever since his wife and unborn child died two and half years ago, he's developed a deep-seated hatred for sympathy and can't handle anyone feeling sorry for him or treating him like some pitiful widower. EQUALS TROUBLE IN TEXAS Grady hires B.J.'s plane service to fly him to Houston for an overnight business trip. While there, she coaxes him into accompanying her to a late dinner, where she decides it's time for him to move on with his life. A month later, she turns up pregnant with his baby, and neither of them is prepared for the chaos that follows.

Kelly is a tomboy with a chip on her shoulder. He's her worst enemy. Jared Oliver. Just hearing his name makes me want to scream! He thinks he's all that but I know better. He's just an arrogant jerk and I want nothing to do with him. Hopefully, now that we've graduated, I'll never have to see him again. Wrong. Kelly Harris. I've been crushing hard on the super-hot tomboy since the day I met her. To bad she hates my guts. I don't even know what I did to make her feel that way. I'd had an entire school year to change her mind about me and...nothing. She still cringes at the very sight of me. I guess she'll always be the one that got away. Or will she? What happens when Kelly and Jared get thrown together one last time? Can Jared finally prove he's not the jerk Kelly thinks he is? Find out in Fight Like A Tomboy.

While navigating the many social hurdles of high school, tomboy Casey Beeler is torn between her long-time crush on Lucas Hargrove and starting the softball team of her dreams; little does Casey know that Lucas is facing a similar challenge--between his feelings for Casey, baseball and a future at Harvard.

When Georgia, an eight-year-old girl, cuts her hair very short and plays baseball the children in her new school ask her if she's a boy.

How exactly has one good deed landed me in the penalty box? Ice Knights defenseman Zach Blackburn has come down with the flu, and my BFF—his PR manager—begs me to put my nursing degree to use and get him back to health. Of course she would call in a favor for the most hated man in Harbor City. But when he’s finally on the mend and I’m sneaking out of his place, everything goes sideways. Paparazzi spot me and pictures, plus accusations that I slept with him, fly faster than a hockey puck. At first, all of Harbor City wants my blood—or to give me a girlie-girl makeover. But then...the team finally wins a game. And now this fickle town wants me with the big jerk twenty-four seven. Argh. I never slept with him the first time! But no one will listen. Then the grumpy bastard goes and promises to break his no-fan-appearances rule to help raise money for a free health clinic—but only if I’m rink-side at every game. That’s not a deal I can turn down. But when the team keeps winning, and I realize there’s more to him than his bad reputation, suddenly remembering to keep my real hands off my fake date gets harder and harder to do. Each book in the Hartigans series is STANDALONE: \* Butterface \* Muffin Top \* Tomboy

Geneva Sommers, a young orphan girl on a quest to know who she is, has always wished for a different life. With the help of her fellow outcast friends, Geneva plans to escape the orphanage to uncover the truth and save her island. But first, she must learn to master her newly acquired magic powers.

Starting with the figure of the bold, boisterous girl in the mid-19th century and ending with the “girl power” movement of the 1990’s, *Tomboys* is the first full-length critical study of this gender-bending code of female conduct. Michelle Abate uncovers the origins, charts the trajectory, and traces the literary and cultural transformations that the concept of “tomboy” has undergone in the United States. Abate focuses on literature including Louisa May Alcott’s *Little Women* and Carson McCullers’s *The Member of the Wedding* and films such as Peter Bogdanovich’s *Paper Moon* and Jon Avnet’s *Fried Green Tomatoes*. She also draws on lesser-known texts like E.D.E.N. Southworth’s once wildly popular 1859 novel *The Hidden Hand*, Cold War lesbian pulp fiction, and New Queer Cinema from the 1990s. *Tomboys* also explores the gender and sexual dynamics of tomboyism, and offers intriguing discussions of race and ethnicity’s role in the construction of the enduring cultural archetype. Abate’s insightful analysis provides useful, thought-provoking connections between different literary works and eras. The result demystifies this cultural phenomenon and challenges readers to consider tomboys in a whole new light.

The celebrated New York Times Bestseller A Best Book of the Year pick at the New York Times, NPR, The New Yorker, TIME, Washington Post, Oprahmag.com, Thrillist, Shelf Awareness, Good Housekeeping and more. What does it take to come back to life? For Jessa-Lynn Morton, the question is not an abstract one. In the wake of her father’s suicide, Jessa has stepped up to manage his failing taxidermy business while the rest of the Morton family crumbles. Her mother starts sneaking into the taxidermy shop to make provocative animal art, while her brother, Milo, withdraws. And Brynn, Milo’s wife—and the only person Jessa’s ever been in love with—walks out without a word. It’s not until the Mortons reach a tipping point that a string of unexpected incidents begins to open up surprising possibilities and second chances. But will they be enough to salvage this family, to help them find their way back to one another? Kristen Arnett’s breakout bestseller is a darkly funny family portrait; a peculiar, bighearted look at love and loss and the ways we live through them together.

We are in the middle of a cultural revolution, where the spectrum of gender and sexual identities is seemingly unlimited. So when author and journalist Lisa Selin Davis's six-year-old daughter first called herself a "tomboy," Davis was hesitant. Her child favored sweatpants and T-shirts over anything pink or princess-themed, just like the sporty, skinned-kneed girls Davis had played with as a kid. But "tomboy" seemed like an outdated word—why use a word with "boy" in it for such girls at all? So was it outdated? In an era where some are throwing elaborate gender reveal parties and others are embracing they/them pronouns, Davis set out to answer that question, and to find out where tomboys fit into our changing understandings of gender. In *Tomboy*, Davis explores the evolution of tomboyism from a Victorian ideal to a twenty-first century fashion statement, honoring the girls and women—and those who identify otherwise— who stomp all over archaic gender norms. She highlights the forces that have shifted what we think of as masculine and feminine, delving into everything from clothing to psychology, history to neuroscience, and the connection between tomboyism, gender identity, and sexuality. Above all else, Davis's comprehensive deep-dive inspires us to better appreciate those who defy traditional gender boundaries, and the incredible people they become. Whether you're a grown-up tomboy or raising a gender-rebel of your own, *Tomboy* is the perfect companion for navigating our cultural shift. It is a celebration of both diversity and those who dare to be different, ultimately revealing how gender nonconformity is a gift.
