Nava is one of those characters who is annoying and unlikeable, but you can't help but end up liking her.

~~The Unlikeable Demon Hunter (Nava Katz, #1) by Deborah Wilde~~

Nava is a breath of fresh air. She's funny, quick-witted and intelligent, but also completely, irreparably imperfect. As the books go on, I'm finding myself more and more endeared to her character. She's growing and learning, but not losing the quirks that make her the unlikeable demon hunter that was fleshed out in the first book of the series.

From USA Today bestselling author J.L. Berg comes a poignant story about young love that will stick with you long after the last page. Head down. Don't look up. Never make eye contact. I couldn't keep him away. Hoping to leave behind the shattered life of my past, I find myself in a small town, with an aunt I've never met and at a school I loathe. But soon I learn, not everything in this world is as black and white as I've determined. Sometimes those we are so quick to judge need a second or third time to make a first impression. And often, there are friendships and even love—real love, waiting just around the corner, if we are brave enough to take that first step. Am I brave? Or will I hide behind these tattered gloves of mine forever?
