Represents the first book of its kind to look at Humanism notjust in terms of its theoretical underpinnings, but also itsconsequences and its diverse manifestations Features contributions from international and emergingscholars, plus renowned figures such as Stephen Law, CharlesFreeman and Jeaneanne Fowler Presents Humanism as a positive alternative to theism Brings together the world ' s leading Humanist academics inone reference work

The Wiley Blackwell Handbook of Mindfulness brings together the latest multi-disciplinary research on mindfulness from a group of international scholars: Examines the origins and key theories of the two dominant Western approaches to mindfulness Compares, contrasts, and integrates insights from the social psychological and Eastern-derived perspectives Discusses the implications for mindfulness across a range of fields, including consciousness and cognition, education, creativity, leadership and organizational behavior, law, medical practice and therapy, well-being, and sports 2 Volumes

A comprehensive, up-to-date examination of the most important theory, concepts, methodological approaches, and applications in the burgeoning field of judgment and decision making (JDM) Emphasizes the growth of JDM applications with chapters devoted to medical decision making, decision making and the law, consumer behavior, and more Addresses controversial topics from multiple perspectives – such as choice from description versus choice from experience – and contrasts between empirical methodologies employed in behavioral economics and psychology Brings together a multi-disciplinary group of contributors from across the social sciences, including psychology, economics, marketing, finance, public policy, sociology, and philosophy 2 Volumes

Explore the latest research and theory on bullying with this international reference from leading voices in the field The two-volume Wiley-Blackwell Handbook of Bullying delivers a comprehensive exploration of a wide range of research on bullying, broadly defined. School bullying is dealt with at length, but there is also coverage of college and workplace bullying and bullying within sports settings, prisons, families, and elder care residential homes. Containing contributions from leading scholars on five continents, the book summarizes the latest theories, findings, developmental aspects, and interventions relevant to bullying in a variety of settings. With up-to-date information on rapidly developing topics like sibling bullying, cyberbullying, bias-based bullying, migration and bullying, dating violence, and economic evaluation of bullying prevention programs, The Wiley-Blackwell Handbook of Bullying offers readers a complete view of a wide array of bullying behaviors. The insightful and up-to-date information contained within the two volumes is destined to become the standard reference for bullying-related research and theory. Readers will benefit from: Fulsome material covering research and practice conventions in countries and regions including Europe, North America, South America, Australasia, Japan, South Korea, India, Mainland China and Hong Kong, the Arab countries, and sub-Saharan Africa A comprehensive discussion on the correlates and outcomes of taking part in bullying, as well as being a victim of bullying An exploration of a variety of strategies to deal with bullying incidents, including proactive, reactive, and peer support approaches An analysis of different kinds of bullying, faith-based bullying, and disablist bullying, including racist and ethnic bullying, sexist and sexual bullying, and homophobic and transphobic bullying Perfect for postgraduate students in programs dealing with bullying in virtually any conceivable context, The Wiley-Blackwell Handbook of Bullying will also earn a place in the libraries of researchers and practitioners in fields as diverse as psychology, sociology, social work, medicine, criminology, child care, and elder studies.

The Wiley Blackwell Handbook of Transpersonal Psychology presents the most inclusive resource yet published on this topic - which seeks to benefit humanity by integrating ancient wisdom and modern knowledge.
