As the Christian Bible is God's word, Christian 'theology' is, then, the in-depth study of God's word, the Bible. All Believers are called to study God's word diligently.

Theology shapes your life. Theology, the study of God and His work in the world, isn't just for those with lots of letters after their names or the staff at your church. It is for you in your everyday moments, everyday questions, and everyday decisions. What you believe determines the lens through which you see the world, how you live your daily life, and how you respond to both blessing and disaster. In this study you'll delve into eight essential doctrines of the faith: Scripture, God, Jesus, the Holy Spirit, humanity, salvation, the church, and the end times. As you examine these foundational truths, you will: Understand how the foundations of your faith matter in everyday life. Worship with a greater sense of who God is and His work in the world. The 2011 award-winning publication *The Christian Faith* garnered wide praise as a thorough, well-informed treatment of the philosophical foundations of Christian theology, the classical elements of systematic theology, and exegesis of relevant biblical texts. *Pilgrim Theology* distills the distinctive benefits of this approach into a more accessible introduction designed for classroom and group study. In this book, Michael Horton guides readers through a preliminary exploration of Christian theology in “a Reformed key.” Horton reviews the biblical passages that give rise to a particular doctrine in addition to surveying past and present interpretations. Also included are sidebars showing the key distinctions readers need to grasp on a particular subject, helpful charts and tables illuminating exegetical and historical topics, and questions at the end of each chapter for individual, classroom, and small group reflection. *Pilgrim Theology* will help undergraduate students of theology and educated laypersons gain an understanding of the Christian tradition’s biblical and historical foundations.

No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads. They are bombarded with claim and counter-claim as soon as they want to tackle anything topical. The contentious subjects tend to be the historical Jesus, gender and sexuality, or the atonement. Other subjects might be less contentious but attract an astonishing excess of literature. Take the vast literature tackling the subject of the Church, for instance, or the bloated body of tomes on various aspects of Pneumatology. This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive; approachable and informative. It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry. Subjects covered include - The Quests for the Historical Jesus - Third Article Theology - The Missional Church - Liberation Theology - Feminist, LGBT and Queer Approaches - Postmodern Faith and the Emerging Church - Nonviolent Atonement

In this quick and vibrant little book, Kelly Kapic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid."

A unique comprehensive textbook of the distinctives of the Pentecostal movement.
