A commercial real estate broker is a middleman between sellers and buyers of commercial real estate, who helps clients sell, lease, or purchase commercial real estate. A commercial real estate broker has the freedom to work as an independent agent, an employer of commercial real estate agents, or as a member of a commercial real estate brokerage firm. In this book, the author describes methods by which a broker will be able to find out if this is a fight worth fighting. He will give you the tools in which you can keep up your motivation and not sweat the random events that may fool you into thinking you are off-course. Ultimately, he will provide you with a framework to hold yourself accountable to the thing that matters most: building your book of business. The work may seem unsexy, challenging and glamorous, but following it will certainly provide you with the best chance of success you have in the inherently foggy world of commercial real estate brokerage.

For too long, commercial real estate expert Tyler Cauble has witnessed the damage caused by small business owners not knowing all the facts before signing a lease. He's working to change that. In this book, Tyler guides you through everything you need to know before renting commercial space. Whether you're looking for a new storefront, a location for your thriving business, or simply need to get out of the garage, Open for Business will show you how to determine space requirements, select a location, and negotiate your lease. If you don't want to do it on your own, Tyler shares how to find a broker who can help you-and save you money! Open for Business will demystify leasing commercial real estate and empower you to make the best decisions for your growing business.

The Essential Playbook to Earning a Lifetime of Income Through Self Storage Over the past decade in AJ Osborne's self storage investing career, he's built a portfolio of over \$100 million in self storage investments with no outside capital or management. In this step-by-step playbook, you will discover how to identify investment opportunities, allocate capital, and leverage management expertise to turn a mom and pop real estate asset into a thriving income-producing business. Master the principles of self storage investing by learning from someone who's done it before. The business of self storage has evolved over the years. What started as a mom and pop business in the 70s and 80s has become a truly institutional asset class with value-add and management opportunities not found in any other real estate investments. By viewing self storage as not only a real estate asset but a consumer-oriented retail business, incredible opportunities are available to those who understand and implement the framework laid out within this book. "AJ's ability to dissect and break down complex business principles and overlay them into a remarkably powerful investing vehicle like self storage provides an entirely new perspective on an age-old industry, and lights the way for new investors interested in self storage."-Roc Pilon, Founder/CEO, Gymreapers "AJ Osborne is one of the most legit, successful real estate investors I've ever had the privilege of knowing. He's one of the people I trust more than anybody. AJ is the real deal."-Brandon Turner, host of the BiggerPockets podcast AJ Osborne is an entrepreneur and investor. He owns and manages a self storage portfolio of over \$100M in assets. AJ is a national speaker on investing in, buying, and managing self storage facilities, wealth, financial freedom, and he actively manages his facilities. In addition to buying and turning around many existing facilities, he has

developed self storage from the ground up, expanded existing facilities, and converted a failed Super Kmart into a storage facility. He has additional development projects ongoing across the United States. AJ specializes in buying and turning around underperforming facilities with a value-add strategy. He has created a management company to run his facilities and focuses on growing his portfolio. He is a leader in the industry with a focus on technology and self storage automation. He built one of his largest facilities with full automation technology. He is the owner and host of the self storage industry's largest self storage podcast, Self Storage Income.

Build a Rental Property Empire has been a hugely successful book for Mark Ferguson, who is a house flipper (almost 200 completed), Landlord, Broker, Blogger, and Influencer. Mark started out with residential properties but when the market became too hot to cash flow in residential he switched to commercial real estate. After finding success in commercial real estate many of his followers have asked for this book on commercial real estate. Build a Commercial Real Estate Empire is not a fluffy motivational book about how rich you can be investing in big real estate deals. It is a how to book. How to buy, finance, find, repair, manage, and value commercial real estate. It comes with more than 10 case studies that go into the details of deals Mark has done in the last 3 years. The good, the bad, and the ugly. If you are interested at all in commercial real estate. I do not mean multifamily residential apartments, but retail, industrial, office space, this is the book for you. If you are looking to simply dump huge amounts of money into big commercial properties this is not the book for you. This book shows you how to add value, how to get great deals, and how to refinance the properties to take cash out for bigger deals. All while bringing in quite a bit of monthly income. Real estate is a wonderful business with so many opportunities. Commercial real estate is an often-overlooked niche, which means there is a ton of opportunity. What the book covers: Commercial Real Estate Strategies Intro How I got Into Commercial Real Estate Start Big or Small? The Basics of Commercial Real Estate Commercial Versus Multifamily What Type of Commercial Properties Do I Like? Where Should You Buy Commercial Rentals? Commercial Numbers, Analysis, and How-To What Makes a Deal a Deal What Is the CAP Rate, and Why Is It So Important? How to Find Deals on Commercial Real Estate Financing Commercial Real Estate Commercial Appraisals How to Find Tenants and Manage Properties How does Tenant Improvement (TI) work? You're not fake - and your brand shouldn't be either. In *Brand With Purpose*, real-estate phenomenon and LA media personality Ivan Estrada recounts his journey of growing up Latinx, queer, and working class, and shares the critical lessons about personal growth and self-discovery he learned along the way - from his early precocious entrepreneurial endeavors as a seven-year-old, selling his drawings door-to-door for \$2, to his rise as the number-one broker and CPA in LA. A book for young entrepreneurs, creative seekers, non-conformists, and ambitious dreamers, *Brand With Purpose* is filled with tools and expert advice on growing your career and business, with enlightening case studies and inspirational wisdom from other successful trailblazers. Through guided self-reflection, you'll reflect and discover the very essence of you, and then learn how to communicate that to build a sense of trust with your clients, customers, or public. Just as Estrada learned to embrace his true self and build a career as a highly respected expert and entrepreneur, so, too, will you discover how your own experiences, challenges, and obstacles hold the key to creating a timeless brand that builds loyalty, influence, and trust - a brand with purpose.
