Lots of Jacqueline Wilson's characters are well-known and well-loved by thousands of readers: Hetty Feather, Ruby and Garnet, Pearl and Jodie, Elsa, Lily and, of course, the brilliant Tracy Beaker! But how much do you know about Jacqueline herself? Jacqueline takes a look back at her own childhood and teenage years in this captivating story of friendships, loneliness, books, family life and much more. She explores her past with the same warmth and lightness of touch that make her novels so special. Best of all, she reveals how she was always determined to be a writer; from the very first story she wrote, it was clear that this little girl had a very vivid imagination! But who would've guessed that she would grow up to be the mega-bestselling, award-winning Jacqueline Wilson? With original photographs and new illustrations by Nick Sharratt, this book is a delight for all of Jacky's fans, and a treat for any new readers too.

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre, highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed

English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and *Baseball Haiku* captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, *Baseball Haiku* reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does *Baseball Haiku* evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final

File Type PDF Toshiba 50I2200u User Guide

game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

A singing frog reluctantly babysits a duck egg in this sweetly hilarious picture book from the brilliant mind that brought you The Fantastic Flying Books of Mr. Morris Lessmore. While egg-sitting for his friend Kack Kack the duck, Bently Hopperton the frog is so bored that he cannot resist painting the egg's shell. But when the decorated egg is mistaken for an Easter egg and is egg-napped, Bently discovers that he has in fact, grown terrifically fond of that ole egg. Can he rescue the egg before it's too late? An homage to fatherhood, and the appreciation of swell art.
