Teagan "I wanted to go home."
"Moving to America wouldn't have been so bad if it weren't for the family next door, but because of my so-called guardian - and I used that term lightly - we were the latest family to take up residency in Thirteenth Street, and I was the sole target of the bitch over the fence." "But, for me, life was a lot to get a lot worse." "Noah Messina, Ellie's step-brother, had decided to join her torment-the-new-girl-until-she-cracks mission." "There

had been a fight in their driveway last weekend - between Noah and some other tattooed douchebag - that had progressed into our yard, resulting in the windshield of my car being smashed when Noah pummeled his opponent through it. Thinking back now I had to admit that I sort of overreacted when I stalked outside in nothing but a Coldplay t-shirt and a black thong and tossed an entire can of white gloss paint over the hood of Noah's black Lexus in retaliation. I guess it had felt damn good to fight back instead of letting them walk all over me..."Destroying Noah's car with paint was like waving a red rag in front of a bull. He lost it. Right there in my driveway, with his t-shirt ripped from his body and blood dripping from his eyebrow, Noah Messina had thrown the biggest man-tantrum I'd

ever seen before declaring war on me..."Noah "I was going to lose my shit over the girl-next-door." "God, three months of having her live next door to me and I still felt like slamming my head into the garden wall - now worse than ever since she had challenged me." "The defiance in her eyes as she stared at me down before bending over the hood of my baby and emptying the can of paint was something that struck a chord inside of me. I'd never been so angry or turned on in my life." "Pure rage had flooded my veins, driven on even further when Teagan taunted me with her potty mouth and yeah, I'd kind of lost it with her. Problem was I had an even uglier temper, and Friday night Teagan Connolly ignited it like no one had before. When she slapped me and pressed her tight little body

against mine, taunting me with that sharp tongue of hers, I'd never been so close to putting my hands on a woman in my life." "Except instead of hurting her, I wanted to toss her sexy little ass on the hood of my car and take her right there, not caring who saw us. The urge to be inside her was like nothing I'd ever felt in my life..."

If two people are truly meant to be together, eventually they will find their way back to each other's arms. It is a prerequisite of love. It is inevitable... Right? Then why does it feel so wrong? her devoted family behind her, a thriving career in publishing, and her long-lost husband by her side, it looks like Hope has finally attained everything she sought after in life. On paper, she is the quintessential it girl. But that's on paper. And what's written on paper can be misleading. Sometimes, when you take a closer look and read inside the lines, the lies on the page appear... How long can she keep up appearances? How far will she go to keep her family safe? How much does she really know about herself? It's Hope's turn to talk in *Inevitable*, the fifth book in the Carter Kids series. ***** Warning ***** Some scenes in this book may be extremely upsetting for some readers. knees. Thorn - when love and hate collide, it ignites a love affair to last a lifetime. "The man who loved me was a fighter. He was dangerous, treacherous, and he called me his thorn. I was his strength and his weakness all rolled into one and he was mine. He was trained - bred - to play a pivotal part in an underworld concocted of violence and destruction. The question was, could I love him in spite of the danger he represented to my life? Could I love him in spite of the danger he represented to my soul?" Noah and Teagan's fragile relationship never stood a chance - not with Noah's meddling stepsister and Teagan's overbearing uncle - not to mention Noah's aggressive ex, Reece, and the volatile criminal gang out for both their blood. Fast forward to seven

years later, and, Noah fresh out of a prison cell, has taken the sports world by storm. He's the best. A fighter. The champ. Unattainable. Unbeatable. But none of that matters to Noah. All he wants is vindication and revenge on the woman who broke his heart and abandoned him when he needed her most - his Thorn. Teagan has spent the last seven years licking her wounds in a backstreet flat in Cork City. Left reeling over Noah's actions that night, Teagan has spent years trying to piece her life back together, but the memory of what she saw that night continues to haunt her, making her bitter and cold. Desperate to move on from Noah once and for all, Teagan throws herself into a relationship with her first-love Liam, forcing herself to move on despite the protests of her heart. "Liam... he's

safe. He's what's right for me." "He's not what's right for you, Teagan," Noah snarled, chest heaving. "He's what's safe for you." He beat his fist against his chest and that passionate display of male dominance caused me to clench tight in anticipation. "I'm what's right for you. Me." One fateful night brings the pair back together again. For Noah, it's a triumph. For Teagan, it's a travesty. Old feelings burst to the surface, burning brighter and hotter than ever before, and throwing a spanner in the works for Teagan's fickle relationship with Liam. But are their feelings too strong to deny? Can she let go of the past? Can Noah trust the woman who walked away from him? "Just say it and we can move on." She shook her head and I lost it. "What the hell is wrong with you?" I demanded,

furious. "I can't," she whispered. "Because if I admit I was wrong, then I'm to blame. It's my fault I've spent almost a decade broken hearted. I would have left you rot and I think the guilt will consume me." Thorn is the spicy third installment of the Carter Kids Series from bestselling author Chloe Walsh. This is a story full of chemistry, anger, sexual tension, and pushing each other's buttons. Due to its explicit content, bad language, fighting scenes, and graphic sexual content, Thorn (Carter Kids #2) is recommended for readers of eighteen years and above.

Treacherous Texts collects more than sixty literary texts written by smart, savvy writers who experimented with genre, aesthetics, humor, and sex appeal in an effort to persuade American readers to support woman suffrage. Although the suffrage campaign is often associated in popular memory with oratory, this anthology affirms that suffragists recognized early on that literature could also exert a power to move readers to imagine new roles for women in the public sphere.

File Type PDF Treacherous Carter Kids 1

Uncovering startling affinities between popular literature and propaganda, *Treacherous Texts* samples a rich, decades-long tradition of suffrage literature created by writers from diverse racial, class, and regional backgrounds. Beginning with sentimental fiction and polemic, progressing through modernist and middlebrow experiments, and concluding with post-ratification memoirs and tributes, this anthology showcases lost and neglected fiction, poetry, drama, literary journalism, and autobiography; it also samples innovative print cultural forms devised for the campaign, such as valentines, banners, and cartoons. Featured writers include canonical figures such as Stowe, Fern, Alcott, Gilman, Djuna Barnes, Marianne Moore, Millay, Sui Sin Far, and

Gertrude Stein, as well as writers popular in their day but, until now, lost to ours.
