President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. "I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by the rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

An overview of a week in the entrepreneur’s life and opinions on everything from football to New York mayors accompany stories of Trump’s best real estate deals and a discussion of the deal maker’s art. Reprint.

_____ THE NUMBER ONE BESTSELLER FROM THE 45th PRESIDENT OF THE UNITED STATES I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.’ – Donald J. Trump Here is Trump in action – how he runs his business and how he runs his life – as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and changes the face of the New York City skyline. But even a maverick plays by the rules, and Trump has formulated eleven guidelines for success. He isolates the common elements in his greatest deals; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks – really talks – about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It’s the most streetwise business book there is – and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

An overview of a week in the entrepreneur’s life and opinions on everything from football to New York mayors accompany stories of Trump’s best real estate deals and a discussion of the deal maker’s art.

The author tells how he rebounded from the verge of bankruptcy in 1990 to regain his status as New York’s most prominent businessman, revealing his successful real estate and investment strategies

In this “scrupulously reported biography” (NPR) Jordan documents how Melania Trump had discussing being First Lady nearly two decades before she landed in the White House and how she encouraged her husband to enter the race for president. Based on interviews with more than one hundred people in five countries, The Art of Her Deal: The Untold Story of Melania Trump is “an extraordinary work” (Salon) that draws an unprecedented portrait of the first lady. We see that behind the scenes Melania Trump is not only part of President Trump’s inner circle, but for some key decisions she has been his single most influential advisor. Jordan interviewed key people in Melania’s close circle who speak publicly for the first time and uncovered never-before-seen photos and tapes of the tall woman with “tiger eyes,” as a judge in an early modeling contest said. The Art of Her Deal shows Melania’s ascent from a modest life, tracing her journey from childhood under a communist dictator to her complicated relationship with Donald Trump. The picture that emerges is “that the first lady is not a pawn but a player... and a woman able to get what she wants from one of the most powerful and transparently vain men in the world” (NPR). And while it is her husband who became famous for the phrase “the art of the deal,” this is the story of the art of her deal.

Donald Trump is the master of Twitter and The Art of The Tweet. Based on Trump, The Art of The Deal, "Donald Trump, The Art of The Tweet" highlights his 140 character thoughts on subjects such as Rosie O'Donnell, Miss Universe, Global Warming, Obama, Wind Turbines (hates them), who's a Loser, Pathetic or an Asshole. Yes, there is a chapter on "Happy Trump: " too. "Donald Trump, The Art of The Tweet" provides a window into what to expect in the next four years, if he lasts that long.

The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O’Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur’s closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public’s enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I’m not sure I can define it and I’m not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I’m a great builder.” Trump on the art of self-promotion: “You might as well tell people how great you are, because no one else is going to.” Ultimately, when O’Brien’s research revealed that Trump’s business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of The Apprentice—found himself in a courtroom. In a new introduction, O’Brien reflects on the recent wave of TrumpMania and updates readers on what it’s like to depose one of the world’s most litigious businessmen—and win.

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. "I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big."—Donald J.
