This is not your ordinary inspirational quote calendar. Taken from the Instagram account @unspirational by Elan Gale, Unspirational 2020 Day-to-Day Calendar sets out to keep it real, keep it honest, and keep you chuckling with a slightly sassy, sometimes swear-y, and mostly pessimistic twist on the cliché inspiration that is supposed to keep you grounded and optimistic.

I am addicted to positivity. I am addicted to positivity. I am addicted to positivity. I care more about feeling great than being great. I am NOT THAT GREAT. The self-help industry tells you that if you're positive, if you put your best foot forward and if you just believe in yourself that you will find happiness. Let's be real, you can read all the inspirational quotes you want. You can spend your days giving yourself affirmations in your heart-shaped mirror and trying to learn to love yourself. You can say your mantra over and over again while sitting cross-legged on a yoga mat in a Whole Foods parking lot. But the truth is, you're not a badass and you still don't have the life you want. That's where You're Not That Great (but neither is anyone else) comes in. This book teaches you how to harness all the negativity in the world and use it to improve your life, taking everyday feelings like self-loathing, regret and shame and making them work for you. Positive thinking is for assholes. Negative thinking is for winners.

Tinder Nightmares is a hilarious look at some of the most epic fails of the often ray, always ridiculous, "romantic" exchanges on Tinder. The Instagram account of the same name has skyrocketed to popularity for its captivating—and sometimes titillating—ability to capture the real-life conversations between people who are looking to connect with that special someone. Tinder Nightmares is organized by theme, with chapters such as Bad English, Broetry, Strange Requests, Sneak Attacks, and more. This book explores everything from pickup lines to breakups, and all the moments that come in between. It 's the perfect gift for anyone who has ever suffered through online dating.

Tons of /a New Photos! Bad Decisions! WTF Moments! Plus Fan Stories! Celebrities! Goats! As Americans, we hold these truths to be self-evident: We will shop. And when we do, especially at our favorite supercenter, we will wear and do the most bizarre things possible. From the wildly popular website PeopleofWalmart.com, this photo collection of Americans in their natural shopping habitat (70 percent of which is brand new and never before included on the website) presents people of all shapes and sizes wearing and doing everything imaginable in full view of their fellow shopping public. Plus, for the first time brand-new fan-submitted stories offer the most random experiences you can imagine! So welcome to a world where no shoes and no shirt are no obstacles, where parking lots are filled with dead deer, Bengal tigers, and old men in thongs riding bikes. Once you meet the People of Walmart, you are sure to fall in love.

A 2021 agenda based on the writings of Paulo Coelho, one of the world's most beloved and inspirational authors. World-renowned author Paulo Coelho has inspired millions with bestselling classics like The Alchemist, The Pilgrimage, Manuscript Found in Accra, Adultery, The Spy and most recently, Hippy. Now, with this 2021 day planner, the same wisdom that draws readers to his books time and time again can serve as a source of daily inspiration year round. Available in English and Spanish, Encounters (Encuentros) features moving and revealing quotes by internationally beloved author Paulo Coelho. More than your average planner, readers can begin each day with a word of wisdom, receive spiritual food-for-thought as they navigate through their everyday lives, and have Coelho be their guide as they plan and embark on their own travels and personal journeys.

Follow along with Mittens as he enjoys hilarious, snark-filled text volleys with his cast of quirky friends and family: Earl (the "filthy hound"), Stumpy (the best friend), Drunky Patty (the usually tipsy next-door neighbor), Grandma (giver of treats), and Fiona (Mitty 's girlfriend). Based on Angie Bailey 's virally popular blog, Texts from Mittens: The Friends and Family Edition is feline humor at its finest.

Day One, and already she was lying in her journal. It was 1993. Suzanne Roberts had just finished college, and when her friend suggested they hike California 's John Muir Trail, the adventure sounded like the perfect distraction from a difficult home life and thoughts about the future. But she never imagined that the twenty-eight-day hike would change her life. Part memoir, part nature writing, part travelogue, Almost Somewhere is Roberts 's account of that hike. John Muir had written of the Sierra Nevada as a "vast range of light," and this was exactly what Roberts was looking for. But traveling with two girlfriends, one experienced and unflappable and the other inexperienced and bulimic, she quickly discovered that she needed a new frame of reference. Her story of a month in the backcountry—confronting bears, snowy passes, broken equipment, injuries, and strange men—is as much about finding a woman 's way into outdoor experience as it is about the natural world she so eloquently describes. Candid and funny and, finally, wise, Almost Somewhere is not just the whimsical coming-of-age story of a young woman ill-prepared for a month in the mountains but also the reflection of a distinctly feminine view of nature.
