...

In his new book, *Wanna Bet*, the former Howard Stern sidekick details his experiences with compulsive gambling and how the habit led to several others, including his attempts to get audiences to leave during his stand-up shows (often by using homophobic and racial slurs), but none more than his cocaine and heroin addictions. Lange speaks about his demons with a candor that would take many by surprise, yet honesty remains his trademark.

President Trump continues to push his claims of election fraud, and last week, he tried to support that narrative with a tweet tied to gambling, per [Casino.org](#) . "At 10:00 P.M. on Election Evening,...

"Lange's entertaining book makes it clear that, no matter how wild and risky his lifestyle may be, he takes comedy more seriously than anything else." —*Publishers Weekly* When Artie Lange's first book, the #1 New York Times bestseller, *Too Fat To Fish*, hit the top of the charts, audiences learned what Howard Stern listeners already knew: that Artie is one of the funniest people alive. He is also an artist haunted by his fair share of demons, which overtook him in the years that followed. After a suicide attempt, a two-year struggle with depression, and years of chronic opiate addiction, Artie entered recovery and built himself back up, chronicling his

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

struggle in brave detail in his next book and second New York Times bestseller, *Crash and Burn*. In his hilarious third book, the two-time bestselling author, comedian, actor, and radio icon explains the philosophy that has kept his existence boredom-free since the age of 13—the love of risk. An avid sports better and frequent card player, Lange believes that the true gambler gets high not from winning, but from the chaotic unknown of betting itself. He recounts some of his favorite moments, many of which haven't involved money at all. In this candid and entertaining memoir, he looks back at the times he's wagered the intangible and priceless things in life: his health, his career, and his relationships. The stories found in *Wanna Bet?* paint a portrait of a man who would just as quickly bet tens of thousands of dollars on a coin toss as he would a well thought out NBA or NFL wager. Along for the ride are colorful characters from Artie's life who live by the same creed, from a cast of childhood friends to peers like comedian and known gambler Norm McDonald. The book is a tour of a subculture where bookies and mobsters, athletes and celebrities ride the gambling roller coaster for the love of the rush. Through it all, somehow Artie has come out ahead, though he does take a few moments to imagine his life if things hadn't quite gone his way. Unrepentant and unrestrained, the book is Lange at his finest.

The comedian and radio personality discusses his drug addiction, battle with depression, and ultimate recovery.

Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of *The Howard Stern Show*—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of *The Howard Stern Show* in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the show's

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out for—sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn't have happened to anyone else. There are stories from his days driving a Jersey cab, working as a longshoreman in Port Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie's never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, *Too Fat to Fish* is Artie Lange giving everything he's got to give. And like a true pro, the man never disappoints.

NEW YORK TIMES BESTSELLER Includes all-new ma-ma-material! ALL NEW CHAPTER: Baba Booey's Afghanistan Journal! and . . . the Shvoogie Buzzer story! One of pop culture's great enduring unsung heroes: Gary Dell'Abate,

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth. Baba Booy! Baba Booy! It was a slip of the tongue—that unfortunately was heard by a few million listeners—but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment Gary Dell’Abate, the long-suffering heroic producer of The Howard Stern Show, for better or worse, finally came into his own. In *They Call Me Baba Booy*, Dell’Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem’s Top 40 every Sunday morning, compulsively bought 45s of his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand. Dell’Abate’s memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper’s mask who handily defeats his opponents playing “Stump the Booy.” We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes—such as the day he nearly killed the Mets mascot while throwing out the first pitch, or the time his mother called Howard’s mother and demanded an apology. Hilarious, painful, and eye-opening, it’s Gary as you’ve never seen him before, telling a story that even Stern show insiders can’t begin to imagine.

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

For the first time, Jackie "The Joke Man" Martling opens up about his life as a cast member and head writer for the comedy powerhouse The Howard Stern Show. In *The Joke Man: Bow to Stern*, Jackie tells of his beginnings as a working comedian and writer and his climb to the top on The Howard Stern Show. Jackie saw it all, and in *The Joke Man: Bow to Stern* he shares personal stories as well a look from behind the scenes at one of the highest-rated radio shows of all time. You'll also get his take on his falling out with Howard and the show, and plenty of the raunchy, laugh-out-loud humor that Jackie "The Joke Man" is famous for. So sit back, relax, and enjoy as "The Joke Man" riffs on his one-of-a-kind career in show business, Howard Stern and the gang, and his very unique life—an American success story like no other.

Robin Quivers's *New York Times* bestselling vegan cookbook, filled with more than ninety recipes Known for her levelheaded, deadpan comebacks to Howard Stern's often outrageous banter, Robin Quivers is a force of nature. Yet few people know about her struggles with food—especially the high-fat, high-sugar, high-cholesterol, highly addictive foods that doomed many of her relatives to obesity, diabetes, and heart disease. Sick and tired of being sick and tired, she knew it was time to stop her slow slide into bad health. Quivers took a stand in her personal nutrition battle and emerged victorious thanks to a plant-based diet. On her sometimes rocky, though endearingly hysterical, path to newfound health, Quivers discovered the power of the produce aisle in changing her body and her mindset. By filling up on soul-quenching, cell-loving vegetables instead of damaging animal products and processed foods, Quivers left behind the injuries, aches, and pains that had plagued her for twenty years. Charting her inspiring road to wellness, *The Vegucation of Robin* describes her transformation inside and out, and, including ninety of her

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

favorite vegan recipes, she encourages readers to join her in putting their health first. With her signature humor and wit, Quivers builds an undeniable case that the key to living the life you've always wanted lies not with your doctor but in your refrigerator. Putting a new face on the pro-veggie movement, Quivers will dazzle readers who want to look good, feel good, and have fun doing it.

Rock stars and rap gods. Comedy legends and A-list actors. Supermodels and centerfolds. Moguls and mobsters. A president. Over his unrivaled four-decade career in radio, Howard Stern has interviewed thousands of personalities—discussing sex, relationships, money, fame, spirituality, and success with the boldest of bold-faced names. But which interviews are his favorites? It's one of the questions he gets asked most frequently. Howard Stern Comes Again delivers his answer. This book is a feast of conversation and more, as between the lines Stern offers his definitive autobiography—a magnum opus of confession and personal exploration. Tracy Morgan opens up about his near-fatal car crash. Lady Gaga divulges her history with cocaine. Madonna reminisces on her relationship with Tupac Shakur. Bill Murray waxes philosophical on the purpose of life. Jerry Seinfeld offers a master class on comedy. Harvey Weinstein denies the existence of the so-called casting couch. An impressive array of creative visionaries weigh in on what Stern calls “the climb”—the stories of how they struggled and eventually prevailed. As he writes in the introduction, “If you're having trouble finding motivation in life and you're looking for that extra kick in the ass, you will find it in these pages.” Interspersed throughout are rare selections from the Howard Stern Show archives with Donald Trump that depict his own climb: transforming from Manhattan tabloid fixture to reality TV star to president of the United States. Stern also

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

tells of his Moby Dick-like quest to land an interview with Hillary Clinton in the run-up to the 2016 election—one of many newly written revelations from the author. He speaks with extraordinary candor about a variety of subjects, including his overwhelming insecurity early in his career, his revolutionary move from terrestrial radio to SiriusXM, and his belief in the power of psychotherapy. As Stern insightfully notes in the introduction: “The interviews collected here represent my best work and show my personal evolution. But they don’t just show my evolution. Gathered together like this, they show the evolution of popular culture over the past quarter century.”

Standup comic, actor and fan favorite from HBO's Silicon Valley and the film Crazy Rich Asians shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. "I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too." Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series Silicon Valley. In How to American, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, How to American mocks stereotypes while offering

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On

tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

Road Dog is comedian, actor, and writer, Dov Davidoff's unflinching memoir told through reflections of twelve months on the road. Davidoff travels across the country from college campuses to local theaters doing stand-up comedy and telling it like it is. He's been known to wax poetic about everything from encounters with large fake breasts, to people who have too many kids, to magnum condoms the size of CD cases. He is hilarious and relatable and will have you laughing at yourself in no time. But there's more to the road dog life than TV features and sold out comedy shows, there's a dark underbelly and Dov knows it well. His memoir chronicles the highs and often very low lows of performance life with honesty, clarity, and humility. Dov takes readers from his fractured childhood days spent in a New Jersey junkyard with a gruff Jewish father and commune-loving hippie Protestant mother to the intense hyperactive persona that his fans know and expect discussing the relationships, drugs, and demons that he has fought along the way. With an eye for self-reflection, and a penchant for hilarious irony, Dov pulls back the curtain on a life hard-made on the road.

In the 1960s, no black political group stood for grassroots insurgency more than the Black Panther Party. The figure who embodied the militant and controversial spirit of the Black Panther Party more than anyone was Eldridge Cleaver. Charismatic, brilliant, and courageous, Cleaver built a base of power and influence that struck fear deep in the heart of white America. It was therefore shocking to many left-wing radicals when Cleaver turned his back on black revolution, the Nation of Islam, and communism in 1975. While Cleaver seemed sincerely disillusioned with radicalism, his erratic behavior

Download File PDF Wanna Bet A Degenerate Gamblers Guide To Living On The Edge

over the next two decades revealed something that had been a latent part of his psyche all along—his narcissistic megalomania. His influence declined significantly through the 1980s until he found himself back on the streets committing petty crimes. By the time he died, in 1998, he was largely viewed as a turncoat who had betrayed the cause of black freedom. How can we make sense of Cleaver's precipitous decline from a position as one of America's most vibrant black writers and activists? And how do his contradictory identities as criminal, party leader, international diplomat, Christian conservative, and Republican politician reveal that he was more than just a traitor to the advancement of civil rights? *Revolution or Death* answers these questions and many more by providing the first life story of one of the most notorious black revolutionaries in history. It explores the audacious dreams and spiritual transformations of the eccentric radical and places him squarely within the context of his changing times. Author Justin Gifford explores previously unseen materials from Cleaver's extensive archive to create the story of a man far more compelling and complex than anyone has given him credit for. In a country defined by its extreme political positions on the right and left, Cleaver embodied both ideologies in pursuit of his conflicting ideals, and it was his inability to resolve
