I bought Webster's New World English Grammar for a "modern English grammar" class (university level), and it's been very helpful for an in-depth understanding of the parts of speech. English grammar is one of those things we understand conceptually because we use it often, but when it comes to knowing how many types of nouns and verbs there are, most people can't describe them off the top of their heads.

In the United States, 20 percent of the adult population is marginally literate. Of these roughly 30 million people, approximately 1.8 million are enrolled in basic skills literacy programs. Webster's New World has created a dictionary that is uniquely designed to help these beginning readers. Webster's New World Basic Dictionary of American English defines 49,000 of the most commonly used words in the American English lexicon. These are the words adult readers are most likely to encounter in newspapers and magazines, on job applications and product instructions, on advertising billboards and their children's school progress reports. The dictionary defines these words in clear, easy-to-understand language, using only words that are themselves defined in the dictionary, but never condescending to the adult reader. Definitions are liberally supplemented with example phrases and sentences that put words in context and help new readers understand meaning and usage. Special notes on synonyms help new readers differentiate between words with similar meanings. And selected illustrations help readers identify and remember words. This quality paperback book is designed for ease of reading and use, as well as for durability. Primarily created for native English speakers, it is also a valuable reference for more advanced readers of English as a second language. From the editors of the prestigious Webster's New World College Dictionary, the Basic Dictionary of American English brings the full scholarship behind that work to this important new offering in the field of literacy.

Combining a concise and compact dictionary with an expert guide to grammar, usage, and punctuation, this book helps users put their best foot forward when communicating. It contains more than 58,000 up-to-date entries, with clear, concise definitions that give the precise information busy people need. The style guide offers clear advice on the rules of written and spoken English.

The largest barrier to fluency in English is the ability to understand and use idiomatic language. Webster's New World American Idioms Handbook walks readers through learning and using American idioms, with complete explanations for over 1,000 idioms. Emphasizing acquisition, application, and understanding, this book offers all the information readers need to know about when, where, why, and how to use them. It includes a wealth of examples to provide users with context. Thorough explanations help readers identify which idioms are appropriate for which situations. An extensive index allows easy, helpful access to individual idioms so that they can be found quickly.

PROGRESS FROM VOCABULARY TO PROFICIENCYVocabulary words let you communicate basic ideas, but proper grammar enables you to communicate concepts, feelings, and subtle nuances much more effectively. Now mastering Spanish grammar is easier than ever. Whether you're a student, a business professional who wants to sound more professional, or a future tourist who doesn't want to sound like one, Webster's New World Spanish Grammar Handbook is an indispensable reference. It helps you hone your Spanish writing skills and sharpen your verbal expression with features such as:• Fifteen parts covering all the essential elements of Spanish grammar• A section on everyday necessities-commonly used words and expressions• Clear explanations of the rules with examples• Comprehensive verb charts illustrating the conjugations• Thematic vocabulary charts for common, everyday topics• A glossary that defines all the grammatical termsOrganized so you can proceed at your own pace and review as needed, Webster's New World Spanish Grammar Handbook helps you progress from vocabulary to proficiency so you can communicate confidently in both social and business situations.

EXPAND YOUR VOCABULARY--FOR BETTER TEST SCORES AND BETTER COMMUNICATION You probably can't learn all the hundreds of thousands of words in the English language--but you can learn those difficult words you're most likely to need to know. If you want to increase your vocabulary for standardized tests or just better communication, Webster's New World Essential Vocabulary is the only tool you need. It presents essential words with definitions, example sentences, synonyms, and tense forms. In addition to the most frequently tested terms from the SAT and GRE tests, Webster's New World Essential Vocabulary also includes helpful appendices on foreign phrases, prefixes, and suffixes. Together, these 1,500 words and definitions not only prepare you for tough tests, but also dramatically improve your communication skills for the business world or studying English as a second language. Whether you're worried about college entrance exams or just want to be better with words, this practical, helpful resource gives you the tools you need to read, speak, and write more persuasively, and communicate more effectively. Plus, Handy self-tests let you gauge your understanding of words and meaning, so you can measure your progress as you go!

Provides clear and concise explanations of English grammar, including a review of common grammatical and stylistic errors, a list of commonly misspelled words, and guidelines for punctuation and capitalization.

A comprehensive Spanish verb reference offers a review of 575 fully conjugated verbs that is complemented by more than 1,500 additional verbs, a cross-referenced format, easy-to-read charts, sample sentences, and an appendix of irregular verbs. Original.

Webster's New Pocket Style Guide The Ideal Portable Companion to Webster's New Pocket Thesaurus Portable-ideal for school or work Helps you avoid common errors Designed and edited by the editors of Webster's New World

Vocabulary demonstrates a person's ability to communicate effectively -- a sure road to success. Webster's New World Pocket Vocabulary offers readers a concise, practical tool for building vocabulary, in a durable, portable format. The succinct format lets readers proceed at their own pace, starting at levels that appeal to students and continuing through levels that appeal to business professionals. Presenting information in an approachable, reader-friendly style, Webster's New World Pocket Vocabulary selects words that readers are most likely to encounter in educational and professional reading.
