Morgan Dane's new client has blood on her hands--and no recollection of what happened--as the #1 Amazon Charts bestselling series continues. Haley Powell wakes up covered in blood, with no memory of the night before. When she sees a man lying in the backyard, stabbed to death, she has only one terrified thought: What have I done? Agreeing to take the case as a favor to her PI friend Lincoln Sharp, Morgan must scale a mountain of damning circumstantial and forensic evidence to prove her client innocent. Haley couldn't appear more guilty: her bloodstained fingerprints are on the murder weapon, and she has no alibi. But Morgan can't shake the feeling that this shocked young woman has been framed. Someone out there is hell-bent on sabotaging her defense, targeting Morgan, her partner, and especially Haley. Someone who will stop at nothing--and whose next move will be deadly.

"After losing her husband in Iraq, former prosecutor Morgan Dane returns to Scarlet Falls, seeking the comfort of her hometown. Then her neighbor's son, Nick, is accused of murdering Morgan's babysitter. Believing he's innocent, Morgan and Lance Kruger, an ex-cop turned private eye, search for the real killer. Uncovering secrets that rock the community, they become targets"--

Private investigator Lance Kruger was just a boy when his father vanished twenty-three years ago. Since then he's lived under the weight of that disappearance--until his father's car is finally dredged up from the bottom of Grey Lake. It should be a time for closure, except for the skeleton found in the trunk. A missing person case gone cold has become one of murder, and Lance and attorney Morgan Dane must face the deadly past that's risen to the surface. For Lance, the investigation yields troubling questions about a man he thought he knew. But memories can play dirty tricks. For Morgan, uncovering each new lie comes with a disquieting fear that someone is out there watching, because someone is killing every witness tied to this decades-old crime. Morgan and Lance follow in the shadows of a relentless killer and walk right into the cross fire.

Young mother Chelsea Clark leaves the house for a girls' night out . . . and vanishes. Her family knows she would never voluntarily leave her two small children. Her desperate husband -- also the prime suspect -- hires attorney Morgan Dane to find his wife and prove his innocence.

Don't say a word. . . . Just scream. The murder of eighteen-year-old Angie Vance was exceptionally vile—her mouth was sealed with glue, an obscenity was scrawled across her skin, and she was suffocated in a garbage bag. The killing seems personal, so police detective Carina Kincaid focuses her efforts on the victim's much older ex-boyfriend, Steve Thomas. But without physical evidence, Carina can't make a collar or a case. She also can't stop Sheriff Nick Thomas, the prime suspect's brother, from conducting his own unwelcome investigation. Though Nick is still scarred and unsteady from a recent confrontation with a serial killer, he's determined to prove his brother's innocence. But his confidence is shaken when he learns of Steve's dark side, and when a friend of the murdered girl meets a similarly gruesome fate. With no time to lose, Carina and Nick work together to trap a psychopath, before another unlucky woman faces an unspeakable end.

Sheriff Bree Taggert is both hunter and hunted in #1 Amazon Charts and Wall Street Journal bestselling author Melinda Leigh's blood-freezing thriller of murder, rage, and revenge.

From the author of *Behind Her Eyes*, now a Netflix Original Series hit "Sarah Pinborough is about to become your new obsession." —Harlan Coben Lisa is living a lie and everyone is about to find out. Lisa lives for her daughter Ava, her job and her best friend Marilyn. But when a handsome client shows an interest in her, Lisa starts daydreaming about sharing her life with him, too. Maybe she's ready now. Maybe she can trust again. Maybe it's time to let her terrifying secret past go. But when her daughter rescues a boy from drowning and their pictures are all over the news for everyone to see, Lisa's world explodes. As she finds everything she has built threatened, and not knowing who she can trust, it's up to Lisa to face her past in order to save what she holds dear. But someone has been pulling all their strings. And that someone is determined that both Lisa and Ava must suffer. Because long ago Lisa broke a promise. And some promises aren't meant to be broken.

The discovery of human remains unearths another nightmare from Sheriff Bree Taggert's past in a bone-chilling thriller by #1 Amazon Charts and Wall Street Journal bestselling author Melinda Leigh. Twenty-seven years ago, Sheriff Bree Taggert's father killed her mother, then himself. Now Bree and her younger brother, Adam, find human bones on the grounds of their abandoned family farm. The remains are those of a man and a woman, both murdered in the same horrible way. When the investigation determines the murders occurred thirty years ago, Bree's dead father becomes a suspect, forcing Bree to revisit the brutal night she's spent most of her life trying to forget. The only other suspect is an unlikely squatter on the Taggert farm who claims to know secrets about Bree's past. When he mysteriously disappears and Bree's niece is kidnapped, the cold case heats up. Bree has stoked the rage of a murderer who'll do anything to keep his identity--and motives--a secret. To protect everyone she loves, Bree must confront a killer.

Be energized, but not overwhelmed What's the most pressure you've ever been under? How did you react? What helped? What didn't? Over the past five years, Dane Jensen has asked these questions of thousands of high performers—from Olympic gold medalists to Navy SEALs, politicians, executives and busy parents. What has emerged from these conversations is that while everyone's experiences under pressure are unique, pressure follows patterns and develops in predictable ways. If we can recognize the patterns, we can improve our ability to sidestep the biological traps that can sabotage us—and use the energy that accompanies pressure to thrive. *The Power of Pressure* combines the insights gathered from Jensen's work with the latest research in biology and neuroscience to help you understand and use the "pressure equation" of importance, uncertainty and volume escape the traps of pressure with effective tools and tactics be ambidextrous so that you can handle pressure both in peak pressure moments and over the long haul reduce tension, sleep better and have more energy so that you can meet challenges head-on recognize pressure moments so that you can prepare for when you will likely the feel the heat leverage strategies so that you can give everything you've got when it's most important And more! How we navigate our highest-pressure moments has a huge impact on the overall trajectory of our lives, both in terms of how successful we are and how much we enjoy the journey along the way.

Winner of the 800-CEO-READS Best Marketing Book of 2015 Why do some companies create such strong affection for their brands that their customers are compelled to become active brand champions? Is there a secret? The Compass and the Nail presents an unconventional perspective of how particular organizations create rabid fan bases, in turn making them more successful and more profitable. Written by Patagonia's former lead strategist for consumer marketing, and advisor to such iconic brands as Seventh Generation and Burton Snowboards, Craig Wilson outlines game-changing insights for providers of any product or service who desire fiercely loyal behavior. Wilson's narrative is one of cultural empathy and thought disruption critical to the new global economy. It is a practical model that defines how companies, governments, and institutions relate to their end users. By illuminating the phenomenon of "following," and how it can be methodically applied to a larger context, this book demonstrates how those relationships can be refashioned to optimize human interactive experience. It challenges us to use our economic powers for good to design the new Responsible Economy in an effort to save the planet. If companies realize consumers "don't buy what you do, they buy why you do it," Wilson shows us how.
