When We Wake by Karen Healey is set in Melbourne, firstly in the year 2027 and later in the year 2127. In the beginning Tegan Oglietti is sixteen and on her way to a climate change protest, along with her best friend, Alex, and her new boyfriend, Dalmar.

~~When We Wake (When We Wake, #1) by Karen Healey~~

When We Wake My name is Tegan Oglietti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027-she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice.

~~When We Wake: Amazon.co.uk: Healey, Karen: 9780316200769 ...~~

But altogether, When We Wake is a smart, intelligent book that portrays a very plausible futuristic society, toys around with interesting medical possibilities, and is narrated by an admirable young woman. In some places I wish Karen Healey had delved a bit deeper into her subject matter, but overall this was a very interesting book.

Karen Healey's When We Wake is a wonderful example of such a novel. Tegan Oglietti is a sixteen-year-old girl living in Australia in 2027. She loves her friends, playing the guitar, parkour, The Beatles. She's falling in love. Everything's good. Then, at a protest against global warming, a sniper's bullet meant for someone else accidentally hits her. When she wakes up, it's almost ...

While We Run by Karen Healey is the sequel to When We Wake, set in a futuristic version of our world. Abdi and Tegan have been on a two-month tour, enforced by SADU handlers, Diane and Lat. If they don't play their parts they are punished, or worse, forced to watch the other receive punishment. But things are set to change: decisions must be made and it will be up to them. I enjoyed When We ...

~~When We Wake | Reading After Midnight~~

In the episode Nana Gallagher Had an Affair, Karen explains that she lost her virginity when she was 13 years old, and has been sexually active ever since. Her manipulative actions towards Lip and other people in her life including Hiram, make her one of the two main antagonists of Season 2. Karen only makes appearances in Seasons 1 through 3.

~~Karen Jackson (US) | Shameless Wiki | Fandom~~

When We Wake stands apart from much of the modern science fiction I have read recently, despite being a novel aimed at young adults. Its setting and themes arise from 21st century culture and issues rather than merely parroting the anxieties of its science fiction forbears. It addresses subjects of contemporary importance in a realistic and relatively nuanced way. It is true that the author ...

Award-winning author Karen Healey has created a gripping tale of an inspiring heroine living in a not-so-distant future that could easily be our own. About the Author Karen Healey is the author of the critically acclaimed Guardian of the Dead and The Shattering. She likes sundresses, researching world-ending apocalyptic scenarios, and books ...

My name is Tegan Oglietti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027--she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice. But on what should have been the best day of Tegan's life, she dies--and wakes up a hundred years in the future, locked in a government facility with no idea what happened. Tegan is the first government guinea pig to be cryonically frozen and successfully revived, which makes her an instant celebrity--even though all she wants to do is try to rebuild some semblance of a normal life. But the future isn't all she hoped it would be, and when appalling secrets come to light, Tegan must make a choice: Does she keep her head down and survive, or fight for a better future? Award-winning author Karen Healey has created a haunting, cautionary tale of an inspiring protagonist living in a not-so-distant future that could easily be our own.

It's 2127, and the future is at stake . . . Abdi Taalib thought he was moving to Australia for a music scholarship. But after meeting the beautiful and brazen Tegan Oglietti, his world was turned upside

down. Tegan's no ordinary girl - she died in 2027, only to be frozen and brought back to life in Abdi's time, 100 years later. Now, all they want is for things to return to normal (or as normal as they can be), but the government has other ideas. Especially since the two just spilled the secrets behind Australia's cryonics project to the world. On the run, Abdi and Tegan have no idea who they can trust - and, when they uncover startling new details about the program, they realize that thousands of lives may be in their hands. Karen Healey offers a suspenseful, page-turning companion to *When We Wake* that will keep readers on the edge of their seats and make them call into question their own ideas about morality -- and mortality, too.

"You're Ellie Spencer." I opened my mouth, just as he added, "And your eyes are opening." Seventeen-year-old Ellie Spencer is just like any other teenager at her boarding school. She hangs out with her best friend Kevin, she obsesses over Mark, a cute and mysterious bad boy, and her biggest worry is her paper deadline. But then everything changes. The news headlines are all abuzz about a local string of serial killings that all share the same morbid trademark: the victims were discovered with their eyes missing. Then a beautiful yet eerie woman enters Ellie's circle of friends and develops an unhealthy fascination with Kevin, and a crazed old man grabs Ellie in a public square and shoves a tattered Bible into her hands, exclaiming, "You need it. It will save your soul." Soon, Ellie finds herself plunged into a haunting world of vengeful fairies, Maori mythology, romance, betrayal, and an epic battle for immortality.

NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE • An ordinary town is transformed by a mysterious illness that triggers perpetual sleep in this mesmerizing novel from the bestselling author of *The Age of Miracles*. "Stunning."—Emily St. John Mandel, author of *Station Eleven* • "A startling, beautiful portrait of a community in peril."—Entertainment Weekly NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Glamour • Real Simple • Good Housekeeping One night in an isolated college town in the hills of Southern California, a first-year student stumbles into her dorm room, falls asleep—and doesn't wake up. She sleeps through the morning, into the evening. Her roommate, Mei, cannot rouse her. Neither can the paramedics, nor the perplexed doctors at the hospital. When a second girl falls asleep, and then a third, Mei finds herself thrust together with an eccentric classmate as panic takes hold of the college and spreads to the town. A young couple tries to protect their newborn baby as the once-quiet streets descend into chaos. Two sisters turn to each other for comfort as their survivalist father prepares for disaster. Those affected by the illness, doctors discover, are displaying unusual levels of brain activity, higher than has ever been recorded before. They are dreaming heightened dreams—but of what? Written in luminous prose, *The Dreamers* is a breathtaking and beautiful novel, startling and provocative, about the possibilities contained within a human life—if only we are awakened to them. Praise for *The Dreamers* "Walker's roving fictive eye by turns probes characters' innermost feelings and zooms out to coolly parse topics like reality versus delusion. . . . [It has] the perfect ambiguous frame for a tense and layered plot."—O: The Oprah Magazine "[Walker's] gripping, provocative novel should come with a warning: may cause insomnia."—People (Book of the Week) "Powerful and moving . . . written with symphonic sweep."—The New York Times Book Review "2019's first must-read novel . . . Alternately terrifying and moving . . . The *Dreamers* is overflowing with humanity."—Jezebel "This is an exquisite work of intimacy. Walker's sentences are smooth, emotionally arresting—of a true, ethereal beauty. . . . This book achieves [a] dazzling, aching humanity."—Entertainment Weekly

As a child, Jessie Lockwood spent many hours helping her mother, Mariah, count the endangered ginseng plants hidden in the local woods of Deep Down, Kentucky. There she learned to appreciate the tiny Appalachian town—and ginseng's healing powers. Now a PhD, she's made her home in Lexington, even though that meant leaving Deep Down and her beloved mother—and Sheriff Drew Webb, the man she secretly loved. When Jessie is notified that her mother never returned from her last walk in the woods, she comes home to Deep Down—and to Drew. As Jessie and Drew race to find her mother, several suspects emerge: an agent for those who market the herb for its life-giving properties; Mariah's disgruntled suitor; and an old Cherokee desperate to protect the sacred tribal herb. In the mist of legend and fear, only two things make sense to Jessie. At any cost, she is desperate to find her mother. And she can't help falling desperately in love with Drew all over again.

"I was intrigued by *Our Little World* from the chilling first paragraph. It's a coming-of-age novel complicated by a tragic and untimely death, and it's also a novel about two sisters you will never forget. I fell in love with the confidence of the writing and the colorful nostalgia of the mid-'80s details. *Our Little World* will transport and transfix you."—Elin Hilderbrand July 1985. It's a normal, sweltering New Jersey summer for soon-to-be seventh grader Bee Kocsis. Her thoughts center only on sunny days spent at Deer Chase Lake, on evenings chasing fireflies around her cul-de-sac with the neighborhood kids, and on Max, the boy who just moved in across the street. There's also the burgeoning worry that she'll never be as special as her younger sister, Audrina, who seems to effortlessly dazzle wherever she goes. But when Max's little sister, Sally, goes missing at the lake, Bee's long-held illusion of stability is shattered in an instant. As the families in her close-knit community turn inward, suspicious and protective, things in Bee's own home become increasingly strained, most of all with Audrina, when a shameful secret surfaces. With everything changed, Bee and Audrina's already-fraught sisterhood is pushed to the limit as they grow up—and apart—in the wake of an innocence lost too soon. Perfect for readers of Celeste Ng's *Everything I Never Told You*, *Our Little World* is a powerful and lyrical coming-of-age story that examines the complicated bond of sisterhood, the corrosive power of envy, and how the traumas of our youths can shape our identities for a lifetime.

Seventeen-year-old Keri likes to plan for every possibility. She knows what to do if you break an arm,

or get caught in an earthquake or fire. But she wasn't prepared for her brother's suicide, and his death has left her shattered with grief. When her childhood friend Janna tells her it was murder, not suicide, Keri wants to believe her. After all, Janna's brother died under similar circumstances years ago, and Janna insists a visiting tourist, Sione, who also lost a brother to apparent suicide that year, has helped her find some answers. As the three dig deeper, disturbing facts begin to pile up: one boy killed every year; all older brothers; all had spent New Year's Eve in the idyllic town of Summerton. But when their search for the serial killer takes an unexpected turn, suspicion is cast on those they trust the most. As secrets shatter around them, can they save the next victim? Or will they become victims themselves?

One of PureWow's "Best Beach Reads of Summer 2018" New York Times bestselling author Karen White crafts evocative relationships in this contemporary women's fiction novel, set in the Lowcountry of South Carolina, about lifelong friends who share a devastating secret. On the banks of the North Santee River stands a moss-draped oak that was once entrusted with the dreams of three young girls. Into the tree's trunk, they placed their greatest hopes, written on ribbons, for safekeeping--including the most important one: Friends forever, come what may. But life can waylay the best of intentions.... Nine years ago, a humiliated Larkin Lanier fled Georgetown, South Carolina, knowing she could never go back. But when she finds out that her mother has disappeared, she realizes she has no choice but to return to the place she both loves and dreads--and to the family and friends who never stopped wishing for her to come home. Ivy, Larkin's mother, is discovered badly injured and unconscious in the burned-out wreckage of her ancestral plantation home. No one knows why Ivy was there, but as Larkin digs for answers, she uncovers secrets kept for nearly fifty years--whispers of love, sacrifice, and betrayal--that lead back to three girls on the brink of womanhood who found their friendship tested in the most heartbreaking ways.

Newly illustrated and available for the first time in years, a haunting novella from the uncannily imaginative author of the national bestsellers *Swamplandia!* and *Orange World*: the story of a deadly insomnia epidemic and the lengths one woman will go to to fight it. Trish Edgewater is the Slumber Corps' top recruiter. On the phone, at a specially organized Sleep Drive, even in a supermarket parking lot: Trish can get even the most reluctant healthy dreamer to donate sleep to an insomniac in crisis--one of hundreds of thousands of people who have totally lost the ability to sleep. Trish cries, she shakes, she shows potential donors a picture of her deceased sister, Dori: one of the first victims of the lethal insomnia plague that has swept the globe. Run by the wealthy and enigmatic Storch brothers, the Slumber Corps is at the forefront of the fight against this deadly new disease. But when Trish is confronted by "Baby A," the first universal sleep donor, and the mysterious "Donor Y," whose horrific infectious nightmares are threatening to sweep through the precious sleep supply, her faith in the organization and in her own motives begins to falter. Fully illustrated with dreamy evocations of Russell's singular imagination and featuring a brand-new "Nightmare Appendix," *Sleep Donation* will keep readers up long into the night and long after haunt their dreams.

A poignant story of two estranged sisters from the New York Times bestselling author of the *Tradd Street* novels. At twenty Cassie Madison left her hometown of Walton, Georgia, for New York City, where she has reinvented herself--from losing herself in her career to squashing her accent. But one night a single phone call brings back everything she's tried to forget. She hasn't spoken to her sister since Harriet stole Cassie's fiancé and married him. But now Harriet's on the line with news that their father is dying. As she makes the trip back, the only thing that frightens Cassie more than losing her father is seeing Harriet and the family that should have been hers. But she can't help loving her nephews and nieces any more than she can help feeling at home again in Walton. As she fights a surprising reaction to a forgotten friend, and faces an unexpected threat to the family she'd once left behind, Cassie comes to realize that moving on doesn't always mean moving away from who you are.
