From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing—now in paperback It ' s easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show Pose; before he was the groundbreaking Tony and Grammy Award—winning star of Broadway ' s Kinky Boots; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn ' t fit in. At five years old, Porter was sent to therapy to " fix " his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. Billy Porter ' s Unprotected is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amid deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and Unprotected is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

Shey Darcy, a 39-year-old former top model for Vogue and Sports Illustrated led a charmed life in New York City with a handsome photographer husband until the day he announced he'd fallen in love with someone else. Left to pick up the pieces of her once happy world, Shey decides to move back home to Texas with her three teenage sons. Life on the family ranch, however, brings with it a whole new host of dramas starting with differences of opinion with her staunch Southern Baptist mother, her rugged but overprotective brothers, and daily battles with her three sons who are also struggling to find themselves. Add to the mix Shey's ex-crush, Dane Kelly, a national bullridding champ and she's got her hands full. It doesn't take long before Shey realizes that in order to reinvent herself, she must let go of an uncertain future and a broken past, to find happiness--and maybe love--in the present.

Robard Hewes has driven across the country in search of a woman named Buena who, twelve years ago, infused him with a feeling that has now turned into obsession. Sam Newel has travelled from Chicago seeking the missing piece of himself. They both find themselves on an uncharted hunting island in the Mississippi owned by an old man named Lamb. When these men converge on this strange land, each discovers the thing he's looking for yet triggers a conflagration of inevitable violence in this tense and brutal yet moving tale.

" American history comes to vivid, engaging life in this tale of two interconnected families (one white, one black) that spans from the 1950s to Barack Obama ' s first year as president. . . . The complex, beautifully drawn characters are unique and indelible. " —Entertainment Weekly " An astoundingly audacious debut. " —O: The Oprah Magazine • " A gorgeous generational saga. " —New York Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • FINALIST FOR THE PEN/HEMINGWAY AWARD FOR DEBUT NOVEL Meet James Samuel Vincent, an affluent Manhattan attorney who shirks his modest Irish American background but hews to his father ' s meandering ways. James muddles through a topsy-turvy relationship with his son, Rufus, which is further complicated when Rufus marries Claudia Christie. Claudia ' s mother—Agnes Miller Christie—is a beautiful African American woman who survives a chance encounter on a Georgia road that propels her into a new life in the Bronx. Soon after, her husband, Eddie Christie, is called to duty on an air craft carrier in Vietnam, where Tom Stoppard ' s play " Rosencrantz and Guildenstern Are Dead " becomes Eddie ' s life anchor, as he grapples with mounting racial tensions on the ship and counts the days until he will see Agnes again. These unforgettable characters ' lives intersect with a cast of lovers and friends—the unapologetic black lesbian who finds her groove in 1970s Berlin; a moving man stranded in Portsmouth, New Hampshire, during a Thanksgiving storm; two half-brothers who meet as adults in a crayon factory; and a Coney Island waitress whose Prince Charming is too good to be true. With piercing humor, exacting dialogue, and a beautiful sense of place, Regina Porter ' s debut is both an intimate family portrait and a sweeping exploration of what it means to be American today. Praise for The Travelers " [A] kaleidoscopic dé but . . . Porter deftly skips back and forth through the decades, sometimes summarizing a life in a few paragraphs, sometimes spending pages on one conversation. As one character observes, " We move in circles in this life. " " —The New Yorker " Porter ' s electric debut is a sprawling saga that follows two interconnected American families. . . . Readers will certainly be drawn in by Porter ' s sharp writing and kept hooked by the black-and-white photographs interspersed throughout the book, which give faces to the evocative voices. " —Booklist

Introduction by Michelle de Kretser Cotters' England follows the lives of Nellie Cook, sister Peggy Cotter and brother Tom. Set in post-war England, it is a study of politics and betrayal in Nellie's professional and personal life. It is a story of smothered aspirations and dashed hopes, as class politics trap the Cotters and stifle their attempts to break free from the boundaries of the working- and middle-classes. The book is also an exploration of love and sexuality. An undercurrent of incestuous flirtation and a lesbian affair add further strain to Nellie's relationships with family and friends, driving one of them to suicide. By the renowned author of The Man Who Loved Children, this is the first Stead work to be set wholly in England. It weaves a strange and compelling story that explores the limits of class, politics, lust and passion.
