Joseph Campbell's groundbreaking 1927 meditations on James Joyce's Ulysses are published for the first time, revealing fascinating secrets that will delight both Campbell and Joyce fans, including writings, lectures, and other commentaries on Joyce.

Since its publication in 1939, countless would-be readers of Finnegans Wake - James Joyce's masterwork, which consumed a third of his life - have given up after a few pages, dismissing it as a "perverse triumph of the unintelligible." In 1944, a young professor of mythology and literature named Joseph Campbell, working with Henry Morton Robinson, wrote the first "key" or guide to entering the fascinating, disturbing, marvelously rich world of Finnegans Wake. The authors break down Joyce's "unintelligible" book page by page, stripping the text of much of its obscurity and serving up thoughtful interpretations via footnotes and bracketed commentary. They outline the book's basic action, and then simplify ? and clarify ? its complex web of images and allusions. A Skeleton Key to Finnegans Wake is the latest addition to the Collected Works of Joseph Campbell series.
--

Explore myth as a tool for personal growth and transformation Joseph Campbell famously defined myth as [other people's religion.▯ But he also said that one of the basic functions of myth is to help each individual through the journey of life, providing a sort of travel guide or map to reach fulfillment ▯ or, as he called it, bliss. For Campbell, many of the world's most powerful myths support the individual's heroic path toward bliss. In Pathways to Bliss, Campbell examines this personal, psychological side of myth. Like his classic best-selling books Myths to Live By and The Power of Myth, Pathways to Bliss draws from Campbell's popular lectures and dialogues, which highlight his remarkable storytelling and ability to apply the larger themes of world mythology to personal growth and the quest for transformation. Here he anchors mythology's symbolic wisdom to the individual, applying the most poetic mythical metaphors to the challenges of our daily lives. Campbell dwells on life's important questions. Combining cross-cultural stories with the teachings of modern psychology, he examines the ways in which our myths shape and enrich our lives and shows how myth can help each of us truly identify and follow our bliss.
--

Celebrated scholar Joseph Campbell shares his intimate and inspiring reflections on the art of living in this beautifully packaged book, part of a new series to be based on his unpublished writings.
--

Baksheesh & Brahman illustrates Campbell's working method and grants an illuminating look at the thoughts and experiences of an incredible mind, as well as a revealing portrait of the roiling Indian subcontinent of fifty years ago."--BOOK JACKET.
--

Discover Myth "There's no one quite like Joseph Campbell. He knows the vast sweep of man's panoramic past as few men have ever known it." --The Village Voice Joseph Campbell famously compared mythology to a kangaroo pouch for the human mind and spirit: "a womb with a view." In Myths to Live By, he examines all of the ways in which myth supports and guides us, giving our lives meaning. Love and war, science and religion, East and West, inner space and outer space ▯ Campbell shows how the myths we live by can reconcile all of these pairs of opposites and bring a sense of the whole. This classic has been newly illustrated and annotated in its first new edition since its original publication, which also marks the first ebook in the Collected Works of Joseph Campbell series. In the tradition of The Power of Myth and Pathways to Bliss, Myths to Live By remains one of Joseph Campbell's most enduring, popular, and accessible works.
--

SAGA is an annual anthology of the most innovative articles published in the area of myth and ritual studies by the most outstanding thinkers in the field. This is the compelling sequel to the popular first volume in this series of best new writings on mythology. The only regularly appearing anthology in the field of myth and ritual studies, Volume 2 of SAGA brings together new writings on myth and ritual from leading authors such as Carlos Castaneda, Thomas Moore, Sam Keen, James Hillman, James Redfield and others, exploring the connections between psychology, myth, religion, ritual and storytelling. SAGA appeals to readers of popular psychology and spirituality and is closely related to the work of Joseph Campbell, Clarissa Pinkola Estes, Thomas Moore, Marion Woodman and James Hillman, and will be well received by readers of Robert Bly, James Redfield and Neale Donald Walsch.

<p>ULYSSES James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day: June 16, 1904. Causing controversy, obscenity trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's Odyssey, James Joyce's Ulysses is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES</p>
--

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.
