Emily Brontë's beloved novel Wuthering Heights has been adapted countless times for film and television over the decades. Valérie V. Hazette offers here a historical and transnational study of those adaptations, presenting the afterlife of the book as a series of cultural journeys that focus as much on the readers, film-makers, and viewers as on the dramas themselves. Taking in the British silent film; French, Mexican, and Japanese versions; the British television serials; and more, this richly theoretical volume is the first comprehensive global analysis of the adaptation of Wuthering Heights for film and television.

Since its publication, Emily Brontë's Wuthering Heights has given rise to an unusual plurality of interpretations, leading to the impression that the novel somehow resists interpretation. The author offers a new reading of the novel that takes this effect into account by investigating its reason: ambiguity is a thematic focal point and structural key element of the novel. This study is concerned with the ambiguity of Wuthering Heights which arises through a complex interplay of distinct but interdependent ambiguities of perception, narration, and the narrated world. In particular, it shows how specific ambiguous utterances (e.g. a clash of implicatures and presuppositions) are linked with each other and contribute to the global ambiguity of the text. In this way, not only the function of ambiguity for understanding Wuthering Heights is explored but also the function of Wuthering Heights for understanding ambiguity. The book should thus be of interest not only to Brontë scholars and Victorianists but also to literary scholars and linguists in general.

Essay from the year 2016 in the subject English Language and Literature Studies - Literature, grade: 1,3, Durham University, language: English, abstract: Emily Brontë's "Wuthering Heights" was written between October 1845 and June 1846 and was first published in 1847 under the pen name Ellis Bell. The narrative structure in "Wuthering Heights" is striking. Interestingly, there is not only one narrator. The main narration, narrated by Nelly Dean, is embedded into Lockwood's report of events. In addition, Lockwood finds a diary entry from Catherine in the beginning and quotes parts of it, and Nelly includes the contents of a letter written by Isabella, as well as several eyewitness accounts into her narrative. The following essay aims to identify the significance of Lockwood and Nelly as narrators in "Wuthering Heights", and to work out their impacts on the reader. There will first be a general examination of the narrative style of Lockwood and Nelly respectively, and then the effect of these styles on the reader will be examined in more detail. An attempt will then be made to prove that "Wuthering Heights" is in fact a story about exclusion and deficient sympathy between human beings, and that the narrative voices serve to demonstrate and highlight these elements.

First published in the year 1847, famous Victorian novelist and one of the famous Bronte sisters of English Literature, Anne Brontë's celebrated novel 'Agnes Grey' was her debut novel. The novel follows Agnes Grey, a governess, as she works within families of the English gentry.

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 2,8 (C), Johannes Gutenberg University Mainz (Anglistics), course: Studying the Novel, language: English, abstract: Wuthering Heights from Emily Bront is one of the most popular English novels. It is about an orphan named Heathcliff, who wants to take revenge for being mistreated. Two of the most fascinating characters in the novel are Hareton Earnshaw, the son of Hindley and Frances, and Cathy Linton. The development of their characters and their relationship is one of the most interesting aspects of the novel. Especially the influence that Cathy gains over Hareton is remarkably shown in the course of the novel. Is Cathy's powerful character the trigger, which, with Hareton's support, finally leads to Heathcliff's resignation? In this paper Hareton and Cathy will be introduced and their behaviour will be explained due to their upbringing. Then Heathcliff's influence on both characters and the development of the relationship between Cathy and Hareton will be explained."
