~~0. January 29, 2010. Anthony Sher's book Year of the King: An Actor's Diary and Sketchbook is a fascinating look at an actor and his process of working as he takes on the role of Richard III. He begins the process by examining the text and his character in a very studious, conscious manner. Then the process continues at an unconscious level as the script works on him and sends signals back to his conscious self.~~

The King (2019) The King. Hal, wayward prince and heir to the English throne, is crowned King Henry V after his tyrannical father dies. Now the young king must navigate palace politics, the war his father left behind, and the emotional strings of his past life.

Year of the Mad King: The Lear Diaries, is Antony Sher's account of researching, rehearsing and performing one of Shakespeare's greatest roles: King Lear. His honest, illuminating and witty commentary provides an intimate, first-hand look at the development of his Lear and the production as a whole. Also included are a selection of his paintings and sketches, many reproduced in full color.

The actor's diary describes his experiences playing the title role in William Shakespeare's Richard III and how he developed his performance.

Explore a hidden world of modern fairies, ancient evils, and recently-unemployed telemarketers. A 19-year-old Dubliner working a dead-end office job, Ivy Gallagher has finally moved out of her terrible apartment and into a posh neighborhood out of town. The rent's cheap, the location's beautiful, and her new flat-mate, Demi, is only moderately weird. So what if the house is packed with exotic plants or she can't even touch Demi's cookware? But after two strangers visit the house, Demi vanishes, leaving Ivy with a lengthy folder of plant-care instructions and the suspicion that her flatmate is in serious trouble. Turns out, Demi's not only a weird roommate-she's also a runaway fairy king, in a society where the kingship is little more than a death sentence. Only one previous king has ever survived longer than a year. Ivy would love to ask him how he did it. Trouble is, he's been missing for decades. It's up to Ivy to find both vanished kings, as she enters a hidden Dublin both magical and murderous, one that may have deep connections to Ivy's own family. Can she save Demi without losing herself? "A pleasant story with some darker undertones; full of mystery and a modern-day take on the Fae world." Kate Coe, SFF World. "Equal parts amusing and unnerving. This is urban fantasy with a sci-fi kick, perfect for readers who are ready for a taste of something beyond angels, demons and shadow hunters." Books by Smithies

A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by the press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy. Smiley's Death of a King paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.

The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded lust in the dungeons.

Tytti Vertainen has a new job as Editor at the Tapiolinnä Times, but before she can unpack her pot plant, an islander comes to her in distress. A mysterious spiritual healer has arrived on the island and started to visit cancer patients. Rumour has it, she has been called there by a saint in a vision to heal the sick, but the patients have started to die and possibly not of natural causes. When the spiritual healer refuses to talk,

Tytti's lie detector begins to yo-yo. Who is this stranger and what does she really want? This is no normal case and Tytti will be forced to be as cunning as her adversary in order to find out what the hell is going on. Sleepy Island Lies is a novel set on the idyllic island of Tapiolinnä in the Finnish archipelago; a place where crime is not unheard of, but at least well hidden. A malign presence is threatening the sick and vulnerable. Will Tytti be the one to remedy it?

Grady County Jail is no place to call home for a Tiger King. It's even less hospitable if you happen to be a Queen. Jailed Tiger King Tails explores Joe Exotic's descent from Oklahoma Royalty, to federal property. As he trades places with the tigers he used to house, the reality of his 22 year prison sentence slowly sets in. Fear, depression, manipulation and rage fill the cage he shared with the author of this book. Kevin had never met Joe before, nor has he seen the popular documentary recently released. This is a truly unbiased account of events that took place during his first 60 weeks behind bars. Whether or not you are a fan of Joe Exotic, this book may give you a different view of who Joe Maldonado-Passage truly is.

"Written for those who are especially interested in action, adventure, war and even romance, the novel offers an escape for people of all ages into another world that once was. Based on actual events and battles that happened, The New King also includes a lot of historical elements that make it both an entertaining and educational read." - Natalia Balcerzak "Perhaps the next major series to captivate a generation will take place in a land closer to home, one that young people are both familiar with and could never truly understand all the same." -Ashley Moniz
