Perfect for fans of Jim Field and Julia Donaldson, *Be More Bernard* is the brilliant story of a disco bunny who will encourage us all to chase our dreams and embrace our differences. When the other bunnies bounced, I bounced. When they hopped, I hopped. When they slept, I did too. Like them, I dreamed. But MY dreams weren't the same. They were less . . . rabbity. ?Bernard has decided that he's not going to be like all the other bunnies any more. He's not going to twitch his nose and prick his ears. And while

others might dream of carrots, Bernard's dreams are altogether more...disco! He starts small, but when he finally gets to groove with grace and jive with joy at Bertie and Brenda's Bunny Ball, Bernard shows the world that being yourself is the very best thing a bunny can be. From the author of the Sainsbury's Book Award-winning *You Must Bring a Hat* and the illustrator of the brand-new *Treacle Street* series!

In his most extraordinary book, the bestselling author of *Awakenings* and "poet laureate of medicine" (*The New York Times*) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from those who are no longer

able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses

sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

Mr. Brown loves hats and can't leave the house without wearing just the right one. But on this day, every time he opens the door to leave, the situation changes, and Mr. Brown must change his hat accordingly. At last, wearing every hat he owns, Mr. Brown is on his way. When he finally arrives at his destination, we find that it's Mr. Brown's birthday, and his friends have just the right hat for that as well.

A New York Times Best Illustrated Children's Book of 2011! A picture-book delight by a rising talent tells a cumulative tale with a mischievous twist. Features an audio read-along! The bear's hat is gone, and he wants it back. Patiently and politely, he asks the animals he comes across, one by one, whether they have seen it. Each animal says no, some more elaborately than others. But just as the bear begins to despond, a deer comes by and asks a simple question that sparks the bear's memory and renews his search with a vengeance. Told completely in dialogue, this delicious take on the classic
